## Special Weather Alert Issued, Possible Hail

---

MAY 24TH 2017 BY DEE LOFLIN

## Special Weather Alert Issued, Possible Hail

Image not found or type unknown

**Stoddard County, Missouri - The National Weather Service in Paducah, Kentucky has issued a Special Weather Alert.**

**...Small hail possible with isolated thunderstorms in southeast Missouri and extreme southwest Kentucky this afternoon...**

**A southward moving upper level disturbance will continue spur the development of scattered showers and isolated thunderstorms this afternoon over parts of southeast Missouri and extreme southwest Kentucky this afternoon.**

Given the very cold air aloft associated with this weather disturbance, some of the stronger rain showers and isolated thunderstorms may produce brief, but small, hail at times.

A public report of one quarter to one half inch hail was noted near Ellsinore, along Highway F.

As the sun gradually sets this afternoon and into the early evening, the coverage and intensity of the showers and isolated thunderstorms should diminish quickly.

Most of the rain activity should completely dissipate by the middle of the evening across the area.

**SPECIAL WEATHER STATEMENT UNTIL 7PM CDT WED ...SMALL HAIL POSSIBLE WITH ISOLATED THUNDERSTORMS IN SOUTHEAST MISSOURI AND EXTREME SOUTHWEST KENTUCKY THIS AFTERNOON... A SOUTHWARD MOVING UPPER LEVEL DISTURBANCE WILL CONTINUE SPUR THE DEVELOPMENT OF SCATTERED SHOWERS AND ISOLATED THUNDERSTORMS THIS AFTERNOON OVER PARTS OF SOUTHEAST MISSOURI AND EXTREME SOUTHWEST KENTUCKY THIS AFTERNOON. GIVEN THE VERY COLD AIR ALOFT ASSOCIATED WITH THIS WEATHER DISTURBANCE, SOME OF THE STRONGER RAIN SHOWERS AND ISOLATED THUNDERSTORMS MAY PRODUCE BRIEF, BUT SMALL, HAIL AT TIMES. AT 302 PM CDT, A PUBLIC REPORT OF ONE QUARTER TO ONE HALF INCH HAIL WAS NOTED NEAR ELLSINORE, ALONG HIGHWAY F. AS THE SUN GRADUALLY SETS THIS AFTERNOON AND INTO THE EARLY EVENING, THE COVERAGE AND INTENSITY OF THE SHOWERS AND ISOLATED THUNDERSTORMS SHOULD DIMINISH QUICKLY. MOST OF THE RAIN ACTIVITY SHOULD COMPLETELY DISSIPATE BY THE MIDDLE OF THE EVENING ACROSS THE AREA.**

## Special Weather Statement Issued Until 5 a.m. Friday

---

## Special Weather Statement Issued Until 5 a.m. Friday

Image not found or type unknown

**Stoddard county, Missouri - The National Weather Service in Paducah, Kentucky has issued a SPECIAL WEATHER STATEMENT for Stoddard County, Missouri.**

**SPECIAL WEATHER STATEMENT UNTIL 5AM CDT FR**

**...GUSTY NORTH WINDS STARTING TONIGHT AND INCREASING FRIDAY**

**... A STRONG LOW PRESSURE SYSTEM WILL MOVE JUST TO OUR EAST**

OVERNIGHT.

THIS WILL BRING NORTHERLY WINDS TO THE REGION TONIGHT OF 15 MPH WITH GUSTS AS HIGH AS 25 MPH.

THE MAIN AREAS AFFECTED WILL BE NORTH AND WEST OF THE OHIO RIVER. FRIDAY THESE WINDS WILL SPREAD EAST ACROSS THE ENTIRE AREA AND INTENSIFY. FRIDAY WE EXPECT WINDS TO REMAIN NORTHERLY BUT INCREASE TO 15 TO 20 MPH WITH GUSTS AS HIGH AS 35 MPH.

THIS WILL CREATE HAZARDOUS DRIVING CONDITIONS FOR VEHICLES TRAVELING ALONG WEST OR EAST BOUND TRAVELERS AND ESPECIALLY FOR THOSE IN HIGH PROFILE VEHICLES.

IN ADDITION, CONSIDERING ALL THE SOAKED SOIL, IT WOULD BE MUCH EASIER TO UPROOT A TREE OR TWO. ESPECIALLY ANY THAT ARE ALREADY COMPROMISED FROM RECENT WIND EVENTS.
