Blood Drives in Stoddard County - Earn a FREE T-shirt

AUGUST 30TH 2017 BY DEE LOFLIN

Stoddard County, Missouri - Earn a free t-shirt and save three lives! Sounds like a plan to me! Donate blood at three different locations in September in Stoddard County.

When you give blood, you never know who it will help. But to a mother of a toddler in the hospital, the husband of a wife facing cancer treatments, or the daughter of a man fighting to survive a major car accident, it's very personal. Your gift can change lives forever.

As we get closer to Labor Day weekend, holiday travel often leads to a steep drop in donations. Please help us overcome the drop and make sure patients will get the care they need without delay.

To thank you for giving blood during the Labor Day weekend, if you donate between September 1 and September 5, you'll receive a special edition Red Cross t-shirt.*

Schedule Now
