Special Weather Statement Issued for Stoddard County

JUNE 18TH 2021 BY DEE LOFLIN

Special Weather Statement Issued for Stoddard County

Stoddard County, MO - The National Weather Service in Paducah, KY has issued a Special Weather Statement for Stoddard County, Missouri.

Description

...HEAT INDEX VALUES FROM 100 TO 105 DEGREES THIS AFTERNOON...

Temperatures will soar into the 90s by midday and into the afternoon hours. With elevated humidity levels in place, this will result in afternoon heat index values from 100 to 105.

Take it easy if you must be outside today. Young children and pets should never be left unattended in vehicles under any circumstances.

Flash Flood Watch Issued for Stoddard County From 1 p.m. Through Thursday

APRIL 28TH 2021 BY DEE LOFLIN

Flash Flood Watch Issued for Stoddard County From 1 p.m. Through Thursday

Stoddard County, MO - The National Weather Service in Paducah, KY has issued at Flash Flood Watch.

Description

...FLASH FLOOD WATCH REMAINS IN EFFECT FROM 1 PM CDT THIS AFTERNOON THROUGH THURSDAY EVENING...

The Flash Flood Watch continues for

Portions of southern Illinois...southwest Indiana...western Kentucky and southeast Missouri, including the following areas, in southern Illinois, Alexander, Edwards, Franklin, Gallatin, Hamilton, Hardin, Jackson, Jefferson, Johnson, Massac, Perry IL, Pope, Pulaski, Saline, Union, Wabash, Wayne IL, White and Williamson. In southwest Indiana, Gibson, Pike, Posey, Spencer, Vanderburgh and Warrick. In western Kentucky, Ballard, Carlisle, Crittenden, Daviess, Henderson, Livingston, McCracken, McLean, Union KY and Webster. In southeast Missouri, Bollinger, Butler, Cape Girardeau, Carter, Mississippi, New Madrid, Perry MO, Ripley, Scott, Stoddard and Wayne MO.

From 1 PM CDT this afternoon through Thursday evening

There will be the potential for several rounds of moderate to heavy rainfall this afternoon through Thursday evening. Rainfall totals of 2 to 4 inches will be possible. Locally higher amounts cannot be ruled out. This watch is generally in effect for locations north of a line extending from Doniphan, Missouri to Paducah, Kentucky to Calhoun, Kentucky.

In addition to the flash flood potential of urban and rural areas, main stem rivers may also be affected out in time.

PRECAUTIONARY/PREPAREDNESS ACTIONS...

Do not attempt to drive across water covered roads. If you come upon a flooded road, turn around and find an alternate route.

Southerly Wind Gusts near 35 MPH this Afternoon

APRIL 27TH 2021 BY DEE LOFLIN

[Southerly Wind Gusts near 35 MPH this Afternoon](#)

Stoddard County, MO - The National Weather Service in Paducah, KY has issued a Special Weather Statement for Stoddard County, MO.

...Southerly Wind Gusts near 35 MPH this Afternoon...

For residents and travelers across southeast Missouri and southern Illinois, look for occasional gusts near 35 mph. A few locations, especially in southern Illinois, may even see gusts to 40 mph.

These gusts may cause difficulty for those driving on west to east oriented roadways with high profile vehicles. Some loose objects left outdoors may be tossed around.

In addition, if you are traveling out on area lakes and rivers, be watchful for the development of choppy waves and whitecaps on the water. This may impact your ability to control your watercraft safely.

The greatest likelihood of seeing gusty winds in excess of 35 mph will be from Noon through 5 PM CDT today. The winds should gradually diminish toward sunset.

Frost Advisory Issued for Stoddard County

Wednesday Evening

APRIL 21ST 2021 BY DEE LOFLIN

Frost Advisory Issued for Stoddard County Wednesday Evening

Stoddard County, MO - The National Weather Service in Paducah, Kentucky has issued a Frost Advisory for Stoddard County from 11 p.m. Wednesday evening to 9 a.m. Thursday morning.

Affected Area

For the Freeze Warning, southwestern Indiana, southeastern Missouri, southern Illinois, and western Kentucky, except for most of the Pennyriple region and eastern parts of the Purchase area. For the Frost Advisory, the entire region

Description

...FREEZE WARNING REMAINS IN EFFECT UNTIL 9 AM CDT THIS MORNING...
...FROST ADVISORY IN EFFECT FROM 11 PM THIS EVENING TO 9 AM CDT THURSDAY...

WHAT...For the Freeze Warning, sub-freezing temperatures as low as 29 degrees. For the Frost Advisory, temperatures as low as 31 will result in frost formation.

WHERE...For the Freeze Warning, southwestern Indiana, southeastern Missouri, southern Illinois, and western Kentucky, except for most of the Pennyriple region and eastern parts of the Purchase area. For the Frost Advisory, the entire region.

WHEN...For the Freeze Warning, until 9 AM CDT this morning. For the Frost Advisory, from 11 PM this evening to 9 AM CDT Thursday.

IMPACTS...Frost and freeze conditions will kill crops, other sensitive vegetation and possibly damage unprotected outdoor plumbing.

PRECAUTIONARY/PREPAREDNESS ACTIONS...

Take steps now to protect tender plants from the cold. To prevent freezing and possible bursting of outdoor water pipes they should be wrapped, drained, or allowed to drip slowly. Those that have in-ground sprinkler systems should drain them and cover above-ground pipes to protect them from freezing.
