Winter Weather Advisory Issued for Stoddard County Until 9 a.m. Monday Morning

JANUARY 29TH 2023 BY DEE LOFLIN

Winter Weather Advisory Issued for Stoddard County Until 9 a.m. Monday Morning

The National Weather Service in Paducah, Kentucky has issued a Winter Weather Advisory for Stoddard County, Missouri until 9 a.m. Monday morning.

Affected Area

Portions of southern Illinois, southwest Indiana, western Kentucky, and southeast Missouri

Description

...WINTER WEATHER ADVISORY IN EFFECT FROM 6 PM THIS EVENING TO 9 AM CST MONDAY... WHAT...Freezing drizzle expected. Total ice accumulations of a light glaze up to one tenth of an inch. WHERE...Portions of southern Illinois, southwest Indiana, western Kentucky, and southeast Missouri. WHEN...From 6 PM this evening to 9 AM CST Monday. IMPACTS...Difficult travel conditions are possible, especially on bridges, overpasses, and sidewalks. The hazardous conditions could impact the Monday morning commute. ADDITIONAL DETAILS...Freezing drizzle will begin in the Ozark Foothills of southeast Missouri tonight, then spread eastward overnight, reaching the Ohio River during the predawn hours Monday morning. PRECAUTIONARY/PREPAREDNESS ACTIONS... Slow down and use caution while traveling.
