Coburn, Michaels Perform at Dallas Race

Dexter's own Candy Coburn appeared this week with in a very special concert with rock-and-roll performer Bret Michaels (of the 80's group Poison).

Michaels and Coburn both performed in the Rock n' Roll Marathon Half Marathon in Dallas, which benefits the Susan G. Koman For The Cure.

The event, which is part of a series of musical-themed marathons across the country, featured live musical acts about every mile along the route. It attracted novices who have never participated in half marathons and drew seasoned runners from across the globe.

More than 14,000 runners were reported to participate in last weekend's Dallas event.

The half marathon ended with the concert featuring Coburn and Michaels.
