Special Guests Enjoy Steam Train Journey Dexter Mayor Joe Weber and his daughter Beth were among the guests aboard Union Pacific's No. 844 on the Great Excursion Adventure - as it traveled earlier this week from Poplar Bluff to Walnut Ridge, Ark. The Webers, aldermen Jerry Corder and Kirby Taylor, and their wives were among UP's guests on Monday during the special steam train's visit to the region. No. 844's Great Excursion Adventure will end Friday in North Little Rock, Ark. (The ShowMe Times thank Aldermen Corder and City Administrator Mark Stidham for providing this photo.)
