From Jeff Weseloh, SBU Director of Athletics Media Relations

SBU Football to host Arkansas Tech in Home Opener on Saturday, September 10

Bolivar, Mo. - The SBU Bearcats enter into their 2nd game of the 2011 season after coming off an electrifying comeback win against the Bacone Warriors.

The Bearcats look to continue their winning streak to three seasons after a record of (7-4) in the 2010 season. Fifth year coach Keith Allen is excited to lead his SBU Bearcats into the season with an opening win, and has high expectations of their second win coming this weekend against the Arkansas Tech Wonder Boys.

Last week, the scoring for SBU was started in the first half by Raymond Segura returning an interception 28 yards for the touchdown. The Interception was the fire that SBU need to get their offense moving. During the 2nd half, SBU came out on fire and scored three straight touchdowns. Two of the scores came from Justin Duhaney and Thad Everson who both recorded rushing touchdowns. Justin French also had one passing touchdown that come late in 3rd quarter when he connected with Derwyn Lauderdale for a 16 yard score.

Things are looking good for the Bearcats as they go into the next game this weekend against the Wonder Boys. Coach Allen's theme continues to be "Leave no Doubt". He wants all of his athletes to have the mind set of "Every day you come to work, every day you've got to get better, every day you have to compete."

Kickoff is set for 6:00 p.m. from Plaster Stadium in Bolivar.

Southwest Baptist University is a four-year evangelical Christian university that was established in 1878. The main campus is located about 30 minutes north of Springfield, Missouri, in Bolivar, a town of approximately 10,000 people. DHS alum Glen Johnson is a defensive lineman for the Bearcats.

Lady 'Cats Roll Though NMCC

Lady 'Cats Roll Though NMCC

By Andrew Cato, ShowMe Times Sports Editor

The Lady 'Cats keep on winning on the volleyball courts - both squads picked up relatively easy wins during Thursday night's contest against the NMCC Lady Eagles.

In JV action, the 'Cats breezed through the first set, 25-9, before facing some stiffer competition in the second, but they still picked up a 25-17 win - they have yet to lose a set this season.

The Varsity squad picked up where the JV left off, and cruised to 25-11 and 25-6 victories.

Head coach Lauren Hutchcraft was very pleased with her squads' performance.

"In terms of *effort*, I feel my girls played just the way I expected them to. Of course, we made some mistakes here and there, but that's to be expected," Hutchcraft noted. "Overall, their effort was pretty good. We can always move our feet quicker on defense to pick up balls, but I'm overall pleased with their effort, attitude, and good spirits!"

Senior McKenzie Mitchell led the way for the 'Cats in the contest; She racked up 4 digs, 3 kills, 6 aces, and was an astounding 19 for 19 from the service line, including a 14 serve rally in the first set. Teammate Hannah Noe, a sophomore, racked 16 assists in the contest.

"McKenzie had a good game this evening," Hutchcraft continued. "She is a great server and that showed tonight, especially in the first set with five aces! I can always count on her to really attack the ball when she's on front row, too, which will be crucial tomorrow night against Notre Dame."

The Lady 'Cats will face district rival - and a major volleyball powerhouse for the last decade - Notre Dame tomorrow night during the SEMO Tournament, held in both the ShowMe Center and the Notre Dame High School gym. This matchup will be a great 'preview' game for the 'Cats, as they usually don't get to face the Lady Bulldogs until the week before districts.

The 'Cats will have 'pool play' games Friday evening and Saturday morning, with the tournament bracket kicking off Saturday afternoon.

"The top team from each pool will advance to the Gold bracket; the second team will go to the Silver; and the third team will go to the Bronze," Hutchcraft said. "The SEMO Tournament will be a good tournament for anyone wanting to watch some good volleyball in the area!"

The full bracket for the tournament can be printed out here.

SPECIAL: Green Light for Summers

SPECIAL: Green Light for Summers

Bearcat fans can get even more excited about tomorrows night game as #33 Nick Summers has been given the "green light" to play. All precautionary measures have been taken and it appears that Nick's shoulder issues is not as bad as expected.

After showing up at Monday nights junior varsity game in a arm sling, Bearcat fans were concerned. Team physician Dr. Bobby Jibben had performed preliminary exams and predicted that Nick would be game ready. Using total caution to protect the athlete this early in the season, the coaches & Dr. Jibben wanted a further examination.

X-rays taken on Wednesday showed no bone damage, but a MRI was deemed necessary to rule out any torn ligaments or problems deep within summers shoulder. Each and every day, the shoulder seemed to be improving for the athlete.

MRI results today were great and the good news in Bearcat fans will see #33 fired up and ready to hit the field on Friday night. Nick was able to attend and participate in a light practice today.

"I can't believe we were that close to holding him (Nick) out this Friday," commented head coach Aaron Pixley. "Nick is a playmaker and we sure are glad to have him in the lineup".
