Bearcats - Young & Old - Have Fun Evening

It was a perfect evening for football ... the air was crisp with a hint of autumn, the enthusiasm could be felt as soon as you hit the practice field. All factors were coming together for a great evening.

It was a perfect evening for football ... especially if you are in the Ozark Fitness Flag Football League and it was your Night with the Bearcats.

The young elementary football stars got to be on the football field with their heroes - the Bearcat football team. The high school guys and elementary school boys had a great time together on the field. The older guys taught drills, and how to tackle and other essentials of the game. The younger boys tried hard to hit hard, throw straight, and run as fast as a Bearcat.

At the end of the special evening, Bearcat Head Coach Aaron Pixley gathered the boys together for a Bearcat pep talk.

"You've worked hard tonight," Pixley said as he encouraged the young players. "Work hard and listen to your coaches. And come out and watch the Bearcats!"

The boys - young and old - gathered together for one big huddle before they broke for the evening.

"1-2-3! Bearcats!"
