The merry-go-round, the train, the slide and more! Kids of all ages enjoyed the rides, the exhibits, the comradery, exhibits and more at Friday evening's edition of the 85th Annual Stoddard County Fair.

Tinsley Amusements had fun activities for all ages and all levels of adventure on Friday evening. From the traditional merry-go-round and more advanced levels of bravery and adventure, folks enjoyed their time on the Midway.

On the Midway Stage, Randy Harriton took the stage and entertained with foot-stomping rock 'n roll. The Boy Scouts were still trying to get folks wet at the dunking booth, and exhibitors and visitors alike enjoyed conversation in the Exhibition Hall.

The Future Farmers of America students participated in a Tractor Rodeo in Arena A, and karaoke was the agenda for the evening in Arena B.
