Dexter's Morgan-Pierce Earns Car

SEPTEMBER 26TH 2011 BY NEWS

Dexter's Morgan-Pierce Earns Car

A Southeast Missouri Mary Kay sales director is on the road to success.

Earlier this month Jeri Morgan-Pierce of Dexter earned the use of a new Chevy Malibu sedan as a result of her outstanding achievements in operating her independent Mary Kay business.

This is not the first car for Morgan-Pierce. She has received career cars from MaryKay during her career with the company. The new Chevy Malibu sedan is fresh white color.

Since the program's inception in 1969, more than 120,000 independent sales force members have either qualified or re-qualified to earn the use of a Mary Kay career car. Currently, more than 5,600 Mary Kay career cars are on the road nationwide.

"The Career Car Program provides the independent sales force the opportunity to earn the use of a visible symbol of their success," said Darrell Overcash, president of Mary Kay Inc. U.S.

"Each car obtained through this exciting program reflects the hard work, determination and professionalism of the independent sales force."

Independent Beauty Consultants earn the use of Mary Kay career cars through their outstanding achievements in their personal Mary Kay businesses.

Alumni Gather To Cheer For 'Cats

Class of '76 Gathers For Reunion

*By Annabeth Miller
ShowMe Times Editor*

What happens when a group of old friends all find themselves back home in Dexter, and it happens to be a Friday evening, and the Bearcats are playing football in Charles Bland Stadium?

They all head to the football game, of course!

The Dexter High School Class of 1976 is gathering this weekend for its 35th class reunion this weekend, and a contingent of the class organized and attended the football matchup between the hometown Bearcats and the Malden Green Wave.

With some of the men in their letterman jackets, and at least one lady in her cheerleading uniform, the group entered the gates at Charles Bland Stadium carry signs proclaiming “Class of 1976” and a few cheers of welcome from the hometown crowd and the students at the game.

Gathering in the north end zone prior to pregame festivities, the group huddled for a photograph amid lots of hugs and greetings and “do you remember me”. The group that had gathered at the flagpole for prayer prior to the game applauded the class as it “tried” to organize for the photograph.

Reunion festivities continue through the weekend, including the reunion dinner at Hidden Trails County Club on Saturday evening.

Welcome Home, Bearcats!

The writer is a member of the DHS Class of '75, and remembers some of this crowd as being crazy juniors!!

Area Airport To Get Grant

SEPTEMBER 17TH 2011 BY NEWS

Area Airport To Get Grant

MALDEN – A Bootheel airport will receive some needed renovation thanks to a grant from the the U.S. Department of Agriculture.

The Malden Airport is set to receive \$110,170 Rural Business Enterprise Grant from the USDA. According to a document released by USDA Malden is the only community in Missouri receiving a RBEG grant. The grant was awarded or airport hanger renovation.

Agriculture Secretary Tom Vilsack announced that funding is being provided to producers and development organizations in 40 states and the Commonwealth of Puerto Rico to promote job creation and business development.

“The Obama Administration and USDA are committed to helping rural small businesses grow, and to providing the technical support needed to spark sustainable job creation,” Vilsack said. “The funds being provided today will foster an environment to create jobs in every part of the country.”

In all, 69 awards totaling more than \$14.7 million were announced today to promote economic development efforts. A portion of the RBEG funding is intended to support rural economic area partnership efforts.
