Street Work Continues in Downtown Dexter

Work crews are busy in Downtown Dexter this week installing a new drainage pipe along Locust Street as part of an ongoing project in the center of town. City officials encourage motorists to use caution in the area, and to keep an eye on workers and equipment. In addition, Stoddard Street may be closed to traffic for a time Thursday and Friday as work continues in the area. City police will be on hand to help direct traffic in the event of a road closure.
