Blood Drive Set For Next Week

Blood Drive Set For Next Week

The American Red Cross will be in Dexter for a Blood Drive on Wednesday, May 30 . The blood drive will be from 12 p.m. until 5 p.m., at the Sacred Heart Catholic Church at 102 East Castor.

According to Laurie Nehring of the American Red Cross office in Cape Girardeau, donating blood can help save up to three lives because blood is separated into its components – red cells, plasma and platelets – to treat patients with different needs.

“Donating platelets primarily benefits cancer patients. When a patient is undergoing chemotherapy, the production of blood cells is affected and the platelet count may drop to a critical level,” Nehring said. “Shake, Rattle and Roll into a Red Cross blood drive May 22 – July 31 and you’ll be eligible to win a Gibson guitar, courtesy of The Gibson Foundation.”

The Red Cross will award multiple guitars and 50,000 guitar picks, co-branded with the Gibson and Red Cross logos, during this campaign. In addition, you’ll receive a rock and roll themed t-shirt.

Nehring said that as a special incentive for our young donors, anyone aged 16-21 can enter to win a \$5,000 scholarship!

Call 1-800-RED CROSS (1-800-733-2767) or visit redcrossblood.org for more information or to make an appointment. All blood types are needed to ensure the Red Cross maintains an adequate blood supply. A blood donor card or driver’s license or two other forms of identification are required at check-in. Donors must be in general good health, weigh at least 110 pounds and be at least 17 years old (16 with completed Parental Consent Form). New height and weight restrictions apply to donors 18 and younger.

Local Farm To Be Haven For Disabled Vets

Written by

Zach Hedrick, SMT Writer

Dexter, Missouri - A beautiful spot in Stoddard County will soon be receive new life and purpose – dedicated to serving those who have served our nation.

Gobbler Ridge Farms is being converted from a family recreational area into a place where veterans with combat-related injuries can go, relax, enjoy the outdoors, and hunt and enjoy nature. The project is spearheaded by Tom Love and Gobbler Ridge Farms and sponsored by the Kenady-Hanks American Legion Post 59 in Dexter.

“It will be a place where they can hunt, view wildlife, take nature photographs, relax,” Love said recently.

Priority will be given to Stoddard County veterans and veterans with combat-related disabilities

The site will have handicapped accessible blinds elevated for hunting and viewing. Blinds will be wheelchair accessible. Ground blinds will also be wheelchair accessible and portable to provide mobility and maximize use through the seasons and movement of wildlife.

One of the features of the facility will be a “viewing barn” that Love says will be multi-use.

“There will be windows, and it’ll be insulated and have a ramp” for easier access,” Love said.

The cabin on the site is being made handicapped accessible and may be used as a staging area, disabled veterans meetings, meals during outings, preparations for heading out into the woods.

In addition, volunteers are putting in specific food plots for the wildlife – clover, wheat, beans, corn, milo, and chicory. Habitat on the farm is diversified – with food plots, hardwood timber, brushy cover and native grasses.

“A lot of people are involved,” he added. Folks are lending a hand in preparing the site, and Love said businesses such as Cabela’s and WalMart and supporting the effort.

“”This site will be available all year long,” he said. “The veterans can go out any time we have man power to take them there.”

The American Legion Post #59 will supervise all donations and disbursement in the project.

[Girls Step Into World Of Brownie Girl Scouts](#)

*By Annabeth Miller,
ShowMe Times Editor*

There's a well-known little song that proclaims:

*I've something in my pocket,
It belongs across my face.[br]I keep it very close to me[br]In a most convenient place.
I'm sure you could not guess it
If you guessed a long, long while.
So I'll take it out and put it on
It's a great big Brownie smile!*

For eight little girls this weekend there were smiles galore as their moved from Daisy to Brownie Girl Scouts. The Bridging Ceremony was held Saturday at the Church of Christ

activity building in Dexter.

Daisy Girl Scouts are the youngest girls in the Girl Scout family - traditionally girls in kindergarten and first grade. They “Bridge” – or graduate into Brownie Girl Scouts and learned all about those “Brownie smiles” in grades 2 and 3. They wear the Brownie Girl Scout pin and the World Association pin – which shows they - like all Girl Scouts in America - are part of the worldwide movement of Girl Scouts and Girl Guides.

Welcome to the world of Brownie Girl Scouts, Gracie, Marie, Destiny, Elizabeth, Callie, Jayci, Madison, and Riley!!

Photo Above: New Brownie Girl Scouts celebrate their bridging recently. Celebrating are Gracie Jones Marie Fees, Destiny Gifford, Elizabeth Arnold, Callie Whitaker, Jayci Holcomb, Madison Glaus, and Riley Christians.
