Area Rivers, Lakes Looking Good For Anglers

MAY 31ST 2012 BY UNKNOWN

Area Rivers, Lakes Looking Good For Anglers

PLEASE CHECK REGULATIONS CAREFULLY: Special regulations may apply to designated portions of water bodies; some baits and lures may not be legal for all portions.

SOUTHEAST REGION (573) 290-5858

LAKES

Clearwater Lake: 85 degrees, normal, clear; largemouth bass fair on artificial lures; bluegill and catfish fair on nightcrawlers; all other species fair. (Report made on 5/30/2012)

Council Bluff Lake: 78 degrees, normal, clear; redear sunfish fair on worms and crickets; channel catfish good on liver and worms; largemouth bass fair on dark colored soft plastics and topwater lures during low light periods; all other species slow. (Report made on 5/30/2012)

Cypress Lake: 78 degrees, normal, dingy; channel catfish fair on worms, crickets and stickbaits; bluegill and redear sunfish good on jigs, crickets and worms; largemouth bass good on minnows, jigs, plastic worms and crankbaits; crappie fair on minnows and jigs. (Report made on 5/30/2012)

Duck Creek CA Pool 1: 81 degrees, falling, clear; bluegill fair on crickets; all other

species slow. (Report made on 5/30/2012)

Lake Girardeau: normal, clear; bluegill and redear sunfish good on crickets and worms; largemouth bass good on worms; all other species fair. (Report made on 5/30/2012)

Perry County Lake: 82 degrees, clear; redear sunfish good on crickets; largemouth bass fair on soft plastics; channel catfish good on worms; all other species slow. (Report made on 5/30/2012)

Robert DeLaney Lake: 85 degrees, normal, bluegill good on crickets; channel catfish good on crickets, minnows, stinkbaits and spinnerbaits in shallow water (they are beginning to spawn); all other species slow. (Report made on 5/30/2012)

Wappapello Lake: low, black bass fair on spinnerbaits and crankbaits early and late; bluegill fair on crickets and worms near the shore; channel catfish good on trotlines and jug lines using live bait and nightcrawlers at night; all other species slow.

Anglers should note the 9" minimum length limit regulation for crappie on Wappapello Lake. Call the Wappapello Lake Recreation Hotline for updates at 573-222-8139. (Report made on 5/30/2012)

RIVERS

Black River (above Clearwater Lake): 78 degrees, low, clear; smallmouth bass fair on live minnows; channel catfish fair on live minnows; all other species slow. (Report made on 5/30/2012)

Black River (below Clearwater Lake): 70 degrees, dingy; black bass good on minnows and jigs (12" minimum length); channel catfish fair on live bait and worms; suckers fair on worms; all other species slow. (Report made on 5/31/2012)

Castor River (above Zalma): low, clear; black bass good on minnows; longear and green sunfish good on curly tail jigs, best jig colors are black, white and pink; all other species slow. (Report made on 5/30/2012)

Mississippi River (middle): rising, muddy; channel catfish and blue catfish good on worms and cut bait; all other species fair. (Report made on 5/30/2012)

Mississippi River (Ohio River to Arkansas): normal, muddy; channel catfish fair on

stinkbaits and cut baits; all other species slow. (Report made on 5/30/2012)

St. Francis River (above Wappapello): low, clear; black bass good on tube jigs and large minnows; sunfish good on small minnows and worms; all other species slow. (Report made on 5/30/2012)

St. Francis River (below Wappapello): 75 degrees, normal, dingy; channel catfish good on chicken liver, stinkbait and worms; flathead catfish fair on goldfish and green sunfish; all other species slow. (Report made on 5/30/2012)

Anglers are invited to send pictures of their catch to the ShowMe Times - simply email a photo to SMT Sports Editor Andrew Cato, including your name, where the fish was caught, the species of the fish, and - if you care to share - what bait you were using!

Advance Native Named OVC Player of the Year

Advance Native Named OVC Player of the Year

By Taylor Eggimann, ShowMe Times Contributing Writer

CAPE GIRARDEAU - All-American senior third baseman Trenton Moses was putting all his skills to the test this season. The Southeast Missouri State University Redhawks were 23-36 and a little help came from Moses.

Trenton is the son of Bob and Lisa Moses of Advance, Mo. Moses graduated in 2007 from Advance High School, where he was top ten in his class.

Moses earned All-State, All-Conference, and All-Southeast Missourian for three years as an infielder and pitcher for the Advance Hornets; he notched a 1.87 ERA with 47 strikeouts and only five walks in 30 innings on the mound in 2006.

He batted .549 with seven doubles, 17 RBIs, and 16 runs scored, including one home home run. Moses never struck out in 63 plate appearances as a junior.

Trenton wasn't just the baseball star that he is today; he was also a [images/show/ummo](#) force for the Hornets on the basketball court, where he earned All-Conference and All-Region honors. He also helped the team go to the Show-Me Showdown in 2006.

During his baseball career at SEMO, Moses won the OVC Player of the Year award in 2011 and 2012. He is the third OVC Player to win multiple Player of the Year awards. He is also a semifinalist for the Golden Spikes Award, which is presented to the nation's best amateur baseball player. There are thirty others competing.

The Advance native leads NCAA Division 1 baseball in slugging (.802) and on-base percentage (.549). He ranks third in home runs (19) and total bases (158). He is fifth in batting average (.426) and leads the OVC in runs (58), second in RBIs (59), walks (50), and being hit by pitch (17).

Moses was one RBI short of winning the first OVC Triple Crown - leading the league in batting average, home runs, and RBIs - since 1982.

Moses has high chances of being selected in the MLB Draft before we know it - good

luck Trent!

Photos Above:

Top: Trent Moses flashes some leather at the third base position for the SEMO Redhawks; the senior was named OVC Player of the Year for the second-straight season.

Bottom: Moses rushes the infield to field a bunt down the third base line.

ASU Rugby Nets Six All-Americans

MAY 30TH 2012 BY UNKNOWN

ASU Rugby Nets Six All-Americans

BOULDER, Colo. – Six Arkansas State University rugby players have been named to the USA Rugby Men’s Collegiate All-America team for 2012. Overall, 30 All-Americans and

30 Honorable Mentions were chosen in recognition of outstanding play in the 2011-12 Season.

For Arkansas State, first-team members include forward Sean Paterson, and backs Patrick Sullivan and Zac Mizell. Honorable Mention selections include forwards Jake Mizell and Paul Benade along with back Dean Gericke.

The All-Americans are recognized for their on-field performances, a result of their efforts balancing the responsibilities of being a college athlete, and the academic demands of being a student.

The collegiate All-Americans are also identified as players who can project to higher levels of competition and eventually, the USA Men's National Team. Currently, of the USA Men's National Team's 36-man camp roster, 18 players are current or former All-Americans.

All-Americans, Honorable Mentions, and other notable collegiate players will be invited to attend the MCAA combine-style camp in Houston on June 23 at BBVA Compass Stadium. Out of that camp, the Collegiate All-Americans staff will name a touring side for a tour to Ireland in early August. The Red Wolf rugby team, ranked third, fell short in its quest for a national title, dropping a close 49-42 decision to top-ranked Brigham Young May 19 in the USA Rugby Men's D1A College Rugby National Championship in Sandy, Utah.

2012 USA Rugby Men's Collegiate All-Americans:

Forwards

MDC Announces Free Fishing Weekend

MAY 25TH 2012 BY UNKNOWN

MDC Announces Free Fishing Weekend

JEFFERSON CITY—The best things in life are free, sometimes. The weekend of June 9

and 10 is one of those times, as the Missouri Department of Conservation (MDC) is suspending fishing-permit requirements for those two days.

MDC designates the weekend after the first Monday in June as Free Fishing Days in Missouri each year. The idea is to encourage people to explore the state’s fishing opportunities without having to purchase permits, trout stamps or trout park daily tags.

Fishing is a lifetime sport, something equally doable whether you are 9 or 90. Free Fishing Days is designed to encourage lapsed anglers and first-time fishers to wet a line at one of Missouri’s more than 300 MDC-owned or managed fishing lakes, ponds or stream accesses. Carefully managed fisheries at these areas produce an abundance of opportunities to catch fish ranging from crappie and catfish to trout and muskellunge.

Normal fishing regulations, such as limits on size and number of fish, remain in effect during Free Fishing Days. Regulations are outlined in the 2012 Summary of Missouri Fishing Regulations, which is available wherever fishing permits are sold, or **online**.

Special permits may still be required at county, city and private fishing areas. Free Fishing Days exempts anglers from MDC permit and tag fees only, not parking or other park fees.

Public fishing areas are available in every county in Missouri. Many offer disabled-accessible facilities. For more information about places to fish, visit **mdc.mo.gov** or contact the nearest MDC office.
