The Fighting Squirrels Are Off to Colorado

The Fighting Squirrels Are Off to Colorado

By: Taylor Eggimann ShowMe Times Staff Writer

Charleston- On Wednesday night (July) at Hillhouse Park, the Charleston Squirrels did what no one thought they could. At the Senior Babe Ruth State Tournament, the Poplar

Bluff Thunder was the team to win it all, but the Squirrels had something else in mind.

The Thunder (36-6) went undefeated in the double elimination tournament staying in the winner's bracket until Wednesday night. The Squirrels were needing to force two games out of the Thunder and give them their first loss, so they gave the ball to Bloomfield's Paul Fox.

In the first game, Fox seemed a little shaky in the top of the first charged with giving up four runs (one earned) in the top of the first inning because of two infield errors by the Squirrels and a double by Poplar Bluff's Scott Foster. After the first inning the Squirrels calmed down and put it behind them. Fox didn't seem phased by the first inning and continued to work around the batters and quiet the Thunders lineup to just three hits the rest of the game. Fox threw all seven innings and struck out nine on one hundred and one pitches. The Squirrels won 11-5.

In the second game Advance's Ryan Moses was on the mound. All he wanted to do was win that game, so he threw his first shutout of his career. He never tried anything fancy and knew that he had defense ready to play behind him. They then won 9-0.

The Charleston Squirrels are now the Senior Babe Ruth State Champs for the second year in a row. They will be on their way to the Midwest Plains Regional in Montrose, Colorado.

Good Luck Squirrels! Keep on fighting your way to the top!

By Andrew Cato, ShowMe Times Sports Editor

Area basketball fans are in for a treat this weekend with the return of the Rib City Shootout.

The Shootout, now in its third year, has quickly become the premier summer event for basketball teams in the region; this summer has already seen one week of boys action with 45 teams from three states competing in 145 games.

Tournament organizers are busy preparing for the fourth week of this summer's shootout, and the second week featuring boys competition, where basketball fans can see 57 teams from Missouri and Arkansas converging on seven courts - three at the Bearcat Event Center, the DHS, DMS, and Southwest Elementary gyms, and the DPR Gym, located next to the Dexter Aquatic Center - during this weekend's (July 13-14) shootout.

The Bearcats will be represented on all levels - Middle School, JV and Varsity - for the first time this summer; the Varsity squad kicks things off Friday morning at 10:30 a.m. in the BEC, while the JV squad opens competition at 3:00 p.m. in the Middle School. The 8th grade squad opens at noon on Friday at the DPR gym, while the 7th graders start at 9:45 in the BEC.
