Youth Football Camp Begins TONIGHT

Youth Football Camp Begins TONIGHT

The event all the young athletes have been waiting for has finally arrived. Organizers met Sunday evening to finalize plans and make certain that the first annual Youth Football Camp is filled with fun and excitement.

The camp will consist of three nights of drills and instructions from high school coaches and players in the non-contact camp.

The camp will consist of 12 drills designed for a great time while learning the proper techniques used by athletes in the local football program. Each drill will begin with a demonstration of the techniques by players and coaches. At that point, the young athletes will begin to perform the drill themselves.

Organizers have made sure that plenty of water will be on hand for the kids. Each station will last approximately 7 to 10 minutes.

The event is open to all youngsters going into the 3rd grade through the 6th grade. Registration is only \$20 and will provide each kid with a camp t-shirt and 3 days of great fun.

"I can remember when I was in the third grade", commented Dalton Putnam, a 2011 Bearcat Football team member. "Just being on the field with a high school player meant everything to me."

Please make every attempt show up early tonight if you haven't been able to sign up. There will be a consent form and payment that needs to be made to the group.

The camp will begin at 6:00 p.m. and run until 8:00 p.m.; parents can also print and complete the form below to help expedite the registration process.

"Our hope for this camp is that the kids have fun," noted Loyd Rice. "We want this to be a springboard to help our kids gain interest and get involved with the Dexter Park & Rec Little League Football program".

For additional information, see Loyd Rice, Darrin Propst, and Sean Vanslyke at the high school practice football field this evening.

This is NOT a contact camp; helmets and pads will not be required for participation in any drill throughout the duration of the camp.

The Fighting Squirrels Are Off to Colorado

JULY 12TH 2012 BY STAFF WRITER

[The Fighting Squirrels Are Off to Colorado](#)

By: Taylor Eggimann ShowMe Times Staff Writer

Charleston- On Wednesday night (July) at Hillhouse Park, the Charleston Squirrels did what no one thought they could. At the Senior Babe Ruth State Tournament, the Poplar Bluff Thunder was the team to win it all, but the Squirrels had something else in mind.

The Thunder (36-6) went undefeated in the double elimination tournament staying in the winner's bracket until Wednesday night. The Squirrels were needing to force two games out of the Thunder and give them their first loss, so they gave the ball to Bloomfield's Paul Fox.

In the first game, Fox seemed a little shaky in the top of the first charged with giving up four runs (one earned) in the top of the first inning because of two infield errors by the Squirrels and a double by Poplar Bluff's Scott Foster. After the first inning the Squirrels calmed down and put it behind them. Fox didn't seem phased by the first inning and continued to work around the batters and quiet the Thunders lineup to just three hits the rest of the game. Fox threw all seven innings and struck out nine on one hundred and one pitches. The Squirrels won 11-5.

In the second game Advance's Ryan Moses was on the mound. All he wanted to do was win that game, so he threw his first shutout of his career. He never tried anything fancy and knew that he had defense ready to play behind him. They then won 9-0.

The Charleston Squirrels are now the Senior Babe Ruth State Champs for the second year in a row. They will be on their way to the Midwest Plains Regional in Montrose, Colorado.

Good Luck Squirrels! Keep on fighting your way to the top!
