The store opens its doors at 8:00am and closes at 5:00pm, Monday through Friday. If you don't have time to stop in to enjoy the old fashioned diner setup while eating your dinner, then call the order in and you can pick it up through their handy drive thru window. For those customers who are too busy or cannot get out of their home, the pharmacy will deliver prescriptions to Dexter and its surrounding areas.

"We have actually delivered prescriptions as far away as Holcomb, Missouri for a customer." commented Sue.

Week 2 of Little League Has Big Action

*Article provided by
SMT Sports Department*

Dexter, Missouri - The second week of the Dexter Park and Rec football program was held this past Saturday with plenty of football action and fun. The football action began at 9:00 AM with 4 games held at Charles "Seed" Bland Stadium in Dexter.

The first game was held with the junior varsity Red Team, coached by Derek Driskill, taking on the Blue Team, coached by Nate Stevens. Both of these 3rd and 4th grade teams are filled with great speedy athletes and were able to provide fast moving fun for the fans. It was a high scoring game with the Blue Team coming out on top by a score of 44 to 13.

The second game of the JV was much different. The Green and Black Teams are both filled with equally good players but go about it in a different way. Defense rules the game plan of each of these teams coaches.

"If they don't score (pause)" trumpeted Coach Jason Comfort. To which his team responds in unison "They Don't Win!"

Long sustaining drives and good defense by both teams ended this game with the Black Team earning their first victory of the season by a score of 7 to 0.

The varsity teams of the 5th and 6th graders were just as exciting. The Blue Team's offense was quick to go to work and defeated the Red Team by a score of 0-25.

The Black Team vs the Green Team was a unique defensive battle with neither team able to reach the endzone for a score. The game ended with a score of 0 to 0.

More game details will be available next week for these games.

Veterans Fishing Day

Veterans Fishing Day

*Article By SMT Writer
Nathan Gibson*

Bloomfield Missouri- As the sun shined down over the the rolling hills of Bloomfield, the Missouri Veterans Cemetery hosted their annual Veterans Fishing Day. The veterans travel to Bloomfield from the Missouri Veterans Home in Cape Girardeau for a day of fishing and fun.

This event is coordinated and sponsored by the American Legion Kenady-Hanks Post #59. Many members of the group are on hand to help and assist their special guests bait and hopefully "catch that big one that always gets away."

It was a beautiful day for fishing and the 12 veterans that were on hand for the event were successful in their attempts, catching several bluegill and one big catfish.

After the veterans hauled in their "catch of the day", members of the American Legion Post prepared dinner for the entire group.

"An event like this takes a lot work and the men from Kenady-Hanks Post #59 did a great job as always." said Marine Veteran Tom Love.

Pictured above are just some of the people that made this great event happen. Some of the men who assisted in the cooking of this wonderful

meal were, Jim Russell, Bob Mayer, and Bryan Dowdy.

This event is always a hit with the veterans as it gives them a chance to get out and enjoy the wonderful fall weather. It is an appropriate way for this group of veterans to honor those that have served our great country in the past.

"We also have a hunting trip planned with the veterans soon," commented Mr. Tom Love from Kenady-Hanks #59. "These guys they are really looking forward to that event as well."
