Dexter Lady Bearcats fall to Phoenix

Farmington, MO - The Dexter Lady Bearcats finished second in the 48th Farmington Invitational Tournament on Saturday night with a 57-45 loss to state ranked Miller Career Academy.

The final score of the game was not reflective of the overall contest that took place between these two teams. Miller Career Academy is the opponent that has handed the Lady 'Cats two losses last year which marks them as someone the Bearcats must learn to overcome.

"I just think that Miller Career's pressure just got to us toward the end of the game," commented Chad Allen, head coach of the Lady Bearcats. "They're not only tall and big, but they're also quick. They bump you around a lot constantly, cutting off passing lanes, and putting pressure on that just got to us in the end."

"We just didn't execute very well offensively late in the game," noted Allen.

The Bearcats did perform extremely well the majority of the game. Brittany Harris opened the scoring for the Lady Cats to give them an early lead in the first quarter. The teams then traded scoring with Hannah Noe, Katelynn Frazier and Paige Patterson all scoring for LBB. Two free throws and a basket by Alison Jarrell and another basket by Noe put the Cats down by one at the end of the first quarter 15-14.

The lead "see-sawed" back and forth during the second quarter with Harris, Mollie Whitehead, Erika Cobb and Noe all scoring for the Lady Cats to give them a 27-24 halftime lead.

The Lady Phoenix opened the third quarter on a 9-2 run before Katelynn Frazier and Hannah Noe shutdown Miller's offensive attack. A three pointer by Alison Jarrell and a basket by Paige Patterson turned things around for the Lady 'Cats and gave Dexter a 38-37 lead going into quarter number four.

Unfortunately for the Lady Cats they were outscored by the Lady Phoenix 20-7 in the 4th and took the loss. The Lady Cats were led in scoring by Katelynn Frazier with 9 points, followed by Hannah Noe with 8. Alison Jarrell and Erika Cobb both chipped in 7 points a piece.

"I think we were only down by 4-points with 58 seconds left in the game," Allen said. "We were gonna install a different trap defense and come up with a quick trap and steal. Unfortunately, I was out of timeouts and got nailed for a technical."

Miller Career made both free throws and opened up the lead in the final minute of the game.

"In reality, the game was a lot closer than the 11 point difference shows in the final score," added Chad Allen.

"We played

them so much better this year than we did last year," explained Allen. "We definitely made a game out of it."

"Last year, they got in control and stayed in control in both games they beat us," said Allen. "Tonight, we improved and looked a lot better. Defensively, we improved and looked a lot better tonight. Offensively, it was just a struggle tonight because Miller's defense is so good."

"Both teams had to work hard for all the points that they got and they just executed a lot better toward the end than we did," added Allen. "We are gonna have to learn to pull out those tough games in the end."

The Lady Bearcats schedule has intensified greatly this year as they will travel to play Missouri teams like Republic and Webster Groves. They are also traveling outside the area to play Carbondale IL and next week will be at Paragould High School in the The Ronald McDonald Shootout.

"Adding that Paragould AR Tournament next week will definitely help us come playoff time," noted the coach. "That tournament is just as tough if not tougher than the Farmington tournament."

The Bearcats will play back-to-back nights starting Thursday night through Saturday in the tournament. Dexter will take on 4A powerhouse Valley View High School. Valley View played deep into the Arkansas playoff system last year and are returning several good players from that team.

"I'm definitely excited about this year," said Coach Allen. "I think we will improve as the year goes on and we work out a few kinks in the offense and improve throughout the year."

Campbell, Missouri - The Benie Mules continue their winning ways as they capture the championship of the Campbell Invitational Tournament by defeating the Holcomb Hornets in an exciting overtime victory by a final score of 54 to 52.

“It sure wasn’t pretty, but a win is a win,” commented Coach Brad Botsch after the game.

The Mules entered the contest as the favorites but knew the Hornets would present a challenge in the championship match. With an undefeated record of 2-0 on the season, there were high hopes for a championship in Friday nights game.

Bearcats Suffer Second Loss of Season

Bearcats Suffer Second Loss of Season

*by SMT Writer

Sikeston- In their first road game of the young season, the Dexter Bearcats traveled east to Sikeston Friday night and found themselves on the short end of a 55-23 score. With 3 starters out due to injuries, the Bearcats turned the ball over 9 times in just the first quarter, allowing Sikeston to establish an early lead from which they were never shaken. Dexter had some success with trying to control the tempo of the game and slow things down a little, but Bearcat Brad Potts sank the only basket for the visitors in the first quarter, which ended with the host team on top 21-2.

Dexter picked up the offense some in the 2nd, but had its hands full trying to hold the ball against their opponent's defense, and no one in attendance was surprised when the teams entered the locker room at the halfway point with Sikeston leading 36-14.

The third quarter found the Bearcats trying to improve their scoring opportunities by using long possessions to get shooters in the clear. But this tactic netted only 4 Bearcat points while the Bulldogs continued to find the basket with regularity and took a 53-18 lead into the final quarter.

Dexter Coach Rob Nichols felt his team might have been a little intimidated, especially at the start of the contest, by the challenge of playing one of the best class 4 teams in the state on their home court.

Life won't get any easier for the Dexter roundballers next week as the Bearcats return to Sikeston Monday for the opening round of the SEMO conference tournament. Fate has not smiled on the team as they have been scheduled to play the tournament's top seed, the Charleston Bluejays, in the final game of Monday night's opening session. The team will certainly benefit from all the support it can get from its devoted fan base in this demanding contest, so make the short drive over to Sikeston Monday night and let the guys know you've got their back!

Dexter Lady Cats Advance to Finals

[Dexter Lady Cats Advance to Finals](#)

Farmington, MO - The Dexter Lady Bearcats advanced to the finals of the 48th annual Farmington Invitational Tournament with a 67-28 win over the Poplar Bluff Lady Mules on Friday night.

Both teams started out slowly with a number of turnovers before Hannah Noe broke the scoring ice for Dexter with a basket a little over two minutes into the game. After a basket by Samantha Gatewood of Poplar Bluff, the Lady Cats went on a 6 to 0 run with two free throws by Paige Patterson and two baskets by Brittnay Harris. After three points by Poplar Bluff, another basket by Harris made the score 10-5 at the end of the first quarter.

The Lady Cats really opened by the offense in the second quarter. Erika Cobb made two free throws and a basket to open the quarter. Hannah Now then made two free throws after being fouled while shooting, which were two of her ten points in the quarter. Sandwiched between some oh Noe's points were the first four points of the varsity career of Melaine McKuin. Two of these came on a nice jump shot and two came on a drive to the basket. Finally, the quarter ended with two baskets by Brittnay Harris (15 points on the night) and the Lady Cats had a 33-9 halftime lead.

The 

second half started with basket by Patterson and then it started to "rain threes" in the Dexter offense. Allison Jarrell made two, Hannah Noe made one and Erika Cobb made the other and suddenly the Lady Cats had a 47-12 lead. Harris had two more baskets in the quarter, Cobb had two more (for four of her fifteen points) and Katelynn Frazier had her only two points of the night.

The fourth

quarter featured a "mercy rule" running clock as the Lady Cats were up by more the thirty points. The highlight of the fourth quarter was Dakota Reynolds scoring her first two points as a Lady Bearcat. Dexter played outstanding defense all night, something that please Coach Chad Allen.

"Anytime you force a good team like Poplar Bluff into 24 turnovers on the night, you have played well defensively", he commented. "They pretty sharp tonight."

Also not to be overlooked were the 6 assists by Katelynn Frazier and three assists by Mollie Whitehead on some outstanding passes.

The Lady Cats play for the championship on Saturday night in Farmington against Miller Career Academy. Miller Career was the team that defeated the Lady Bearcats last season in the State Quarterfinal game by a score of 51 to 34.

"They only lost one player so they have their main core of their team back," noted Coach Allen. "The one girl they graduated actually went to play at the University of Arkansas-Little Rock so they have the majority of their team back."

"They will be really good as they are a big, physical team," added Allen.

"We just have to get after them like we did tonight and we can wear them down,' say Allen. "We simply need to make conditioning a factor in the game and get them in the third and fourth quarter."

Join the Lady 'Cats for their game in Farmington. If you are unable to make the trip, tune into Jim Reiker as he brings you all the action on **Life Radio 90.3 KLUH**. Game time will begin at 6:30 PM tomorrow evening.

Bernie Advances in Campbell Tournament

NOVEMBER 30TH 2012 BY STAFF WRITER

Bernie Advances in Campbell Tournament

Campbell, Missouri - Bernie High School's basketball team takes yet another victory to add to their brand new season. On Thursday, November 29th, the Bernie Mules faced the Twin Rivers Royals in the Campbell Tournament. The Mules took the win with a final score of 74 to 63 during the varsity game.

During the first quarter, Bernie barely took the lead but pulled through with the final score of first quarter at 16 to 15. The team knew they had to step up their defense if they were going to pull a win out from under Twin Rivers, so they began focusing their energy defensively as well as offensively. During the second quarter, Bernie found their groove on Campbell's floors and quickly got back in the swing of things with a score of 32 to 25. The third quarter was still action packed but the Mules once again pulled farther ahead, slowly inching their way to victory with a score of 53 to 43. In the fourth quarter, Bernie continued to keep a ten point gap between them and their opponent, ending the game at 74 to 63.

Senior David Baker (#31) was the lead scorer for the Mules, gaining 22 of the 74 points by the end of the night. This is Baker's last year of high school basketball and he is intent on keeping a shiny record throughout the season. Eric Ray from Twin Rivers was a tough rival, earning the Royals 21 of their 63 points, requiring the Mules to step up their defensive once again to keep a steady score. BJ Jennings, a Bernie Mule, scored 15 points while his teammate Bubby Schwent scored 12, helping lead their team to the victory they claimed last night.

Bernie's current record is 2-0 and although Twin Rivers was a tough match, they pushed themselves to a whole new level to keep a spotless record thus far. Brad Botsch, Bernie's head coach, believes that this will be a triumphant season for the Mules if they continue to work hard and build on their defense.

"We grinded out a win," Botsch explained. "This was a very physical game that may not have been pretty, but we found a way to get the job done. Twin Rivers played hard and Coach Benson does a nice job with his kids. I thought we were on our heels defensively all night, and we'll have to play much better if we want to beat a very good Holcomb club

tomorrow.”

The Bernie Mules will be spending a third night at the Campbell Tournament and will be facing the Holcomb Hornets tonight at 8:30pm. So, put on some blue and support the Mules as they fight for that third win tonight.
