**Cape Girardeau, Missouri** - The Cape Girardeau Nature Center is hosting “Rediscover the Mighty Mississippi” on Saturday, December 15<sup>th</sup> from 1 pm – 3 pm. No registration is required and the event is for all ages.

You will spend the afternoon discovering the majestic Mississippi River as you look at maps and letters that tell a tale of its history and origins. Hopefully, you will walk away with an appreciation of the powerful, yet beautiful treasure we have in the Heartland.
