New Year's 5K Run for the Poplar Bluff Vipers

DECEMBER 18TH 2012 BY BETH FARRAH

New Year's 5K Run for the Poplar Bluff Vipers

Poplar Bluff, Missouri - With many New Year's resolutions circling around in the air this time of year, it seems like everyone wants to live a healthier lifestyle or find more exciting and fun hobbies to defeat the previous year's boredom. That's why on Tuesday, January 1st, 2013, the Poplar Bluff Vipers are hosting their third annual 5K run on New Year's Day. In previous years, this event has been a great success and they hope to continue it in this upcoming year.

The Poplar Bluff Vipers are an eleven years old and younger AAA traveling baseball team and they have found that a New Year's Day 5K is a great fundraising event that they have used in previous years to earn funds towards their upcoming games, trips, and equipment. The Vipers often travel to cities in Missouri, Mississippi, and Arkansas to play other traveling teams in the Midwestern area. They are currently preparing for their third season.

This year, not only will the money be going towards the baseball team and their upcoming expenses, but they are also planning to donate a sum of their funds towards Lou Gerhig's Disease Research. Lou Gerhig's Disease or ALS, is a disease that effects the nerves throughout the brain and spinal cord, causing the brain to lose control of the muscles, which causes them to not function properly or at all. This young baseball team thought that it would be a great idea to donate the extra money raised at their own event so they could give to the ALS Foundation that are searching for a cure for this disease.

You can support both the Poplar Bluff Vipers Baseball Team along with the ALS Foundation by participating in the 5K and One Mile Run. On-site registration for the run will be held at the Three Rivers Community College Campus at 9:00am. The 5K run will start at 10:00am while the One Mile Run will be held at 11:00am. All people that haven't pre-registered already can join the One Mile Run for \$15 or join the 5K for \$20. If you would like to run in both events, you can register now and only pay \$25.

Door prizes will be awarded after both of the races have been completed. 1st place through 3rd place will also receive awards or ribbons. Both runs will begin and end at the Three Rivers Campus and they will end shortly after they are schedule to begin.

To register, you can email Early Childhood Center Speech Pathologist, Sharon Burkey, at sburkey@pb.k12.mo.us. For more information on the run or how to get involved, you can contact Roger Hanner at 573-300-1214 or Sharon Burkey at 573-718-0462.

After all, what's a better way to start off the New Year with some fresh air, a good workout, and lending a helping hand to raise money for a worthy organization?

Shop With A Hero

Shop With A Hero

Dexter, Missouri – On a cold, crisp Sunday morning this was perhaps one of the most touching scenes witnessed this holiday season. With so much sadness with the recent shootings in Connecticut, children in Dexter were excited to hold the hands of those who protect them each and every day of their lives. No, it was not Spiderman or Batman or even Superman, but real heroes.

Policemen, policewomen, firefighters, highway patrol officers, probation, parole and juvenile officers, and all types of emergency responders were dressed in their best uniforms as they drove their emergency vehicles to Wal- Mart to shop with a child who is less fortunate this holiday season.

These men and women took an oath to protect and serve. Perhaps shopping at Wal-Mart with hundreds of children was not first on their list; however as the children laughed and smiled, you could see how proud the emergency responders were by the expressions on their faces. They were absolutely delighted to participate in this heartfelt program. And as each child was assigned their “Hero”, some were quiet and shy, others a bit more rambunctious began to run and pick out their toys for Christmas. It was an emotional moment for some of the emergency responders, some were grinning, some had a little tear in their eye, but each were happy to help the children who are so innocent in the struggles of every day life.

Even Santa Claus made an appearance. Children began to yell, “Santa!” as some ran to give him a hug. One little girl, Lesley, kept asking her mom if she could give Santa a hug. Each time Santa would take her by the hand and squeeze her as she giggled. Santa would smile and proclaim, “Ho, Ho, Ho, Merry Christmas!”

The Shop with A Hero program began 12 years ago when several emergency personnel from Stoddard County who decided to make Christmas a little brighter for underprivileged children in this area. There are many financial donations made each year by the community and lots of fundraising to help each child have a memorable Christmas. This year was no exception as each child was allowed \$75 to shop at Dexter Wal-Mart. Debbie Juden, Wal-Mart Manager, is a huge supporter of this worthy organization. She was also on hand Sunday helping the Wal-Mart elves

at the registers.

If you would like to make a donation or have further questions, please call Carol Moreland at 573-624-9086.
