Southeast Missouri - The Circuit Breaker tax rebate program, also known as the Missouri Property Tax Credit program has been in effect since 1973, but has changed some over the years.

The Missouri Department of Revenue will provide training to acquaint volunteers and other interested parties in how to prepare these forms.

The training will be held on January 30th from 1:30 p.m. until around 3:00 p.m. in the meeting room of the Southeast Missouri Area Agency on Aging office, located at 1219 N. Kingshighway, Suite 100, Cape Girardeau. If you would be interested in a training closer to you please let us know, it might be possible.

Each year seniors who meet the eligibility guidelines can file for this tax rebate and there are volunteers available to assist with the filing.

For more information about Circuit Breaker Program, check out the article under Blogs on the ShowMe Times web page. There is a very interesting article by Ruth Dockins, Public Information Director.

Seniors do not need to pay for this service because there are plenty of well trained volunteers available for assistance.

If you would like to attend this training please call 1-800-392-8771 to register.
