**Dexter, Missouri** - Time is running out if you wish to buy a yummy beef stick. The DTA Club is having a fundraiser through February 11th at the Dexter High school.

The beef sticks are just \$1.00 each and the proceeds will go towards purchasing items needed in the shop class.

This is a Dexter student lead organization. DTA Members are any Industrial Arts student who wishes to be part of the group. They have a lot of fun activities throughout the school year including "Movie Night" and "Bowling!"

"Members get the benefit of making DTA projects which helps out the club and gives the students small projects that they do not have to purchase," according to Marti Pulliam, Industrial Technology Educator for Dexter High School.

This is a worthwhile fundraiser and the beef sticks are delicious. Help support DTA today!
