## Kennett Defeats the Varsity Bearcats

FEBRUARY 10TH 2013 BY UNKNOWN

**Dexter, Missouri** - Friday night the crowd rolled in to the Bearcat Event Center with high hopes of some entertaining high school hoops. A large number of fans from both the Bearcat side and the Indian side were in attendance for Friday night's match up.

The Junior Varsity teams started the night rolling with a very exciting game. Coach Guethle got the Dexter Bearcat Junior Varsity team well-prepared for Friday's game.

The JV Bearcats came out strong and kept a lead over the Indians almost the whole game. As the fourth quarter approached, the Bearcats let their leading margin slip, and the

Kennett Indians still had a chance for victory as the clock began to run out.

As the fourth quarter came to an end, the Bearcats had possession of the ball and had to be very careful to not cause any turnovers. The Kennett Indians were persistent in their efforts all throughout the game, but ultimately the Dexter Bearcat Junior Varsity team took the victory with a 54-49 final score.

Shortly after the conclusion of the Junior Varsity Bearcat victory, the Dexter Varsity team ran out and took the court. Fans from both teams were excited for the start of this match up.

With the first possession going to the Bearcats due to a violation on the Kennett side during the tip off, the momentum was quickly sent to the Dexter side.

Dexter held their own once Kennett was on offense, but a few of the Indians could not be stopped.

With the injury of senior Chase Young still causing the Dexter Bearcats some need for adjustment, the team continued to play hard on both ends of the court Friday night.

Going into halftime, the Kennett Indians continued to escape further away from the Bearcats with a 32-8 lead.

After the halftime warm-up and a pep talk from Coach Nichols, Dexter turned the momentum back over to the Bearcat side.

The Dexter Bearcats were finding the open player right under the goal for easy shots causing the Bearcat fans to really get excited. Dexter senior Jordan Miller was on fire throughout the fourth quarter as he was found making wide open shots to help close in on the Indian's lead.

Towards the end of the fourth quarter, the Bearcats cut the Indian's lead to six points, but couldn't completely close the gap.

It was a hard-fought match and the Dexter Bearcats held their own in a game that many fans had previously thought would be much more of a struggle for Dexter.

When the end of the fourth quarter buzzer sounded, the Dexter Bearcats walked off the court with a loss of 62-51 against the Kennett Indians.

Catch the Dexter Bearcats in their next game as they head to Poplar Bluff on Tuesday, February 12th to tackle the Mules. Game time 6 p.m. And don't forget, Friday night is Senior Night for the DHS Bearcat Boys Basketball Team.

## Katelyn Heil and the Lady Miners Face Off Against Maryville

---

FEBRUARY 10TH 2013 BY BETH FARRAH

[Katelyn Heil and the Lady Miners Face Off Against Maryville](#)

**Rolla, Missouri** - Dexter High School and the Dexter community is proud to have Katelyn Heil representing them at Missouri University of Science and Technology in Rolla as she takes on her fourth year of playing basketball for the S&T Lady Miners. Heil is majoring in Biology and has always had an interest in basketball, which she has played for a majority of her life. In her team's most recent game, Heil played a large part in the back and forth battle between the Lady Miners and the Maryville Saints.

Unfortunately, the Lady Miners had to mark the game against the Saints as a loss due to a shot that was made by the Saints on the final buzzer, bringing the tied score to 56 to 54. The game was a constant struggle, especially in the second half, where it continuously

stayed tied or the score was only separated by one or two points. During the second half, there were a total of four lead changes and ten ties, making it a very intensely played game by both sides.

In the opening half, Heil went in for a layup and helped her team nearly tie with the Saints after falling behind with eleven minutes on the clock. Heil and her teammates played hard and were quick to get the ball whenever it was possible but was not able to get their offense to flow. The Saints started the game off with a 18 to 7 lead in the first half but the Lady Miners fought hard to bring their score up as Heil shot a layup and brought their score up to 29 to 28.

The Miners have a current record of 12-9 and have faced off against the Maryville Saints twice this season and have only lost by a handful of points. This was by far the closest game that they've had with their rivals. Heil scored four points during the game and was a key player on the court when going up against the Saints. She will be playing in the Lady Miner's next game that will take place in Springfield, Illinois, where Heil and her team will battle it out against the Prairie Stars on Valentine's Day.
