Dexter Student Body Electrified the Audience

MARCH 01ST 2013 BY DEE LOFLIN

Dexter Student Body Electrified the Audience

Dee Loflin, SMT Manager/Writer*

Dexter, Missouri - The Bearcat Event Center was filled to capacity Thursday evening for the District Championship game between the Lady Bearcats and the Notre Dame Lady Bulldogs. It was literally standing room only with folks situated along the outer rim of the court.

There's nothing like a District Championship game to fire up the Bearcats cheering section, except a State Championship game, but tonight the student body was most definitely excited to be here.

Not sure who's idea it was, but never before have so many students organized themselves to cheer at any athletic event. The fans loved it!

What fueled these students? What drove their emotions to chant, scream, wave their hands, paint their faces and dance outrageously for the Girls Basketball Team? PRIDE! BEARCAT PRIDE!!

They are unique! They bleed red and black! They have a special high school bond and they are the "tour de force" of the Bearcat Nation.

Bearcat pride isn't something you have during a winning season. It's something you have with you all the time, something you have grown up with, a feeling that you get every time you watch a game or read about the players.

Being a Bearcat fan is more than being a nation. It goes deeper than that. It is about being something special in the high school sports arena. It's a bond that lasts a lifetime.

The students of Dexter gave their all for this basketball game. If you weren't at the game, you could not truly appreciate the noise, the feeling, the heart pounding emotion of those boys and girls in the stands. Their spirit was contagious and when the music started to play at half-time, the audience went wild! And so did the students!

The latest craze, the "Harlem Shake" and this student body perfected the "Shake" by doing some crazy convulsive dancing in the bleachers while dressing rather ridiculously in red and black. They even held crazy props, wore wild looking hats and red frilly tutus and of course showed off their Bearcat spirit! Batmat was there, Cat in the Hat was there, and of course BEARCAT was there!

</images/DHS Rowdy 3.jpg>

There are even videos captured by Dexter fans running rampant on Facebook and other video sources. The students are getting rave reviews and excellent comments about their exhilarating evening. Will we see more of this Bearcat behavior? Let's hope so!

Thank you students for livening up a crowd of Bearcat fans who truly are dedicated to the athletic programs at Dexter. We loved it! We hope to see you in Farmington next Wednesday!! Go Lady Cats!!

SEMO Scholarship Deadline

FEBRUARY 26TH 2013 BY BETH FARRAH

SEMO Scholarship Deadline

Attention high school seniors! If you are planning on attending Southeast Missouri University, the deadline is drawing near. You can apply to the college online at www.semo.edu but if you are interested in applying for the numerous scholarships that the school offers, the deadline is also coming up within the next few days.

March 1st is a big day, because that is when the scholarship application forms are due to SEMO, either online or by snail mail. If you are hoping or wishing to apply for the Academic Scholarships at Southeast, it must be done quickly yet efficiently. There are many other scholarships that can be applied for, such as: The residence Life Leadership Scholarship, Midwest Achievement Award (MAA) Scholarship, various scholarships for transfer students (that are in the state of Missouri), School of Visual and Performing Arts Scholarship, Music Ensemble, Golden Eagles, Theatre and Dance, Speech and Debate, as well as Spirit Groups.

The requirements for these scholarships depend on ACT or SAT scores, the high school grade point average (GPA on a 4.0 scale), and the time of submission. The chance to apply for the Governor's, Regents', and President's Scholarships ended in early December of 2012 but there are many others that are still available. The University Scholarship is a common scholarship that is offered to most seniors that are planning on attending SEMO that have earned either a 23 or higher on the ACT (1050 on the SAT) and also carry a 3.3 or higher grade point average.

If you have already applied for federal aid (FAFSA) in mid-February, then your application for Federal Student Aid must be turned into SEMO by March 1st also. The FAFSA form must be submitted prior to April 1st to be considered for the need-based aid from the state.

These scholarships and financial aid forms all must be applied for by March 1st and must be submitted no later if you wish to attend SEMO's fall semester!

If you are up and ready to go, don't forget about Show Me Day, which will take place on the main SEMO campus in Cape Girardeau on April 1st. Take an official tour of the campus and get some extra information before attending in the fall. Another important date to remember is July 1st, which is the deadline for the on-campus housing form which is for the fall semester of 2013.

Juniors who will soon be transitioning into their senior year are able to begin applying to SEMO on June 1st, if they wish to attend during the 2014-2015 school year.

Richland History Day Results

FEBRUARY 25TH 2013 BY BETH FARRAH

[Richland History Day Results](#)

After the small winter storm that passed through Stoddard County earlier last week, the Richland Rebels finally got to have their annual History Day Competition that was held on Friday. The students have been working the past few months on their projects and were excited to show them to their family members and to the judges.

History Day is always a big part of the history classes at both the high school and junior high grade levels. Each student that is enrolled in a required history class participates in the competition. Each participant is required to have a written research paper, a presentation board, an annotated bibliography, numerous pictures, and an idea or event that falls under the chosen national topic for this year's competition (Turning Points in History: People, Ideas, and Events).

There are numerous competitions with in History Day that the students are able to enter into. Many compete in Web Design, Performances, and even Historical Research Papers, but the most popular is the Exhibit Division. Each year, the students spend a healthy amount of class time and even time at home working on their project. They are encouraged to be creative, professional, and knowledgeable about their chosen topic and how it relates to the national topic.

The Richland staff and students are happy to announce that this year's History Day was another success and the students did a wonderful job on it and the Open House ran very smoothly.
