Dexter Rotary Donates to Disabled Veterans Wildlife Facility

Dexter, Missouri - Tom Love recently spoke to the Dexter Rotary Club and they were enthusiastic about his passion to help Disabled Veterans.

The Rotarians were so moved by his dedication to help those who have served to fight for our freedom that they donated \$500 to the Disabled Veterans Wildlife Facility.

Post Commander Darryl W. LaPierre of the American Legion/Kenady Hanks in Dexter and Tom Love, founder of the Disabled Veterans Wildlife Facility met at the Gobbler's Ridge Farm along with Morris Gregg, Dexter Rotarian, who presented them with the check. It was a beautiful day and the three of them sat on the porch of the cabin and chatted for a bit about the Wildlife Facility.

For many veterans who are confined to a wheelchair or whose mobility has been restricted as a result of serving their country or due to age, etc accessibility to their once favorite pastime is restricted, but not any more. With the Disabled Veterans Wildlife Facility, they can enjoy hunting, fishing, photography, or just getting out of the house and into the woods for a daytime adventure!

For more information please or to make a donation, please contact, Tom Love 573-820-0802 or Jim Adams 573-421-3660.

To mail in donations: D.V. Outdoor Fund

American Legion Post 59, P.O. Box 446, Dexter, Missouri 63841

They also have a Facebook page with lots of photographs of the facility, blinds, veterans who have used the facility and just God's creatures living on the land.
