Dexter, Missouri – Make sure you turn your weather radios on before you go to bed tonight. We could see some severe thunderstorms after 3 a.m. along with some large hail and damaging wind gusts. There is always the possibility of tornadoes as well.

A 50% chance of showers tonight will be possible in the Dexter area with a low in the upper 60's.

Tomorrow additional severe thunderstorms are possible as the storm system advances very slowly to the East. Though isolated tornadoes will be possible, the main threats are large hail and damaging winds.

Tomorrow's forecast for rain is 60% with wind gusts up to 21 mph. Temperatures will be in the low 80's.

Stay tuned to your local t.v. station or KDEX radio in Dexter for weather alerts and updates.

Whitewater is an upbeat bluegrass band that plays old traditional and new bluegrass music. The concert, which is free and open to the public, will feature great music, fun company and a little comedy just for grins. Seating is limited so lawn chairs or blankets are encouraged.

Sam A. Baker State Park is located four miles north of Patterson on Highway 143 in Wayne County. For more information on the event or to register, call the park at 573-856-4411. Aside from the new and upcoming Whitewater Bluegrass concert next Saturday, the park is now offering a variety of nature hikes. This event also takes place on next Saturday, where visitors will be able to join a park naturalist on May 25 for a two-mile hike to the fire tower on Mudlick Mountain at Sam A. Baker State Park near Patterson. Sponsored by Missouri State Parks, the hike will begin at 9 a.m. It is free and open to the public.

Participants will have the opportunity to enjoy spring with this with a relaxing hike to the fire tower. Built in the 1930s by the Civilian Conservation Corp, the tower sits at the top of Mudlick Mountain, at 1,313 feet elevation. The hike is moderate and steep in some places so hikers should wear sturdy, closed-toed shoes and bring plenty of water and snacks. Participants should meet in front of the park's Visitor Center.

Jefferson City, Missouri – Fallen Missouri firefighters will be honored this weekend during two services at the Fire Fighters Memorial of Missouri in Kingdom City.

On Saturday, May 18, at 9 p.m., a candlelight vigil will be held for all Missouri firefighters who have died while serving their communities.

On Sunday, May 19, at 10:30 a.m., the names of three Missouri firefighters who died in the line of duty in 2012 will be added to the monument wall commemorating Missouri

firefighters who made the ultimate sacrifice while protecting citizens of the state. Forty other Missouri firefighters who have passed away during 2012 will also be remembered during the ceremonies.

“Every day, Missouri’s career and volunteer firefighters demonstrate their dedication to their communities by selflessly running to danger as their fellow citizens run from danger to safety,” **Gov. Jay Nixon** said. “It is important that we remember, recognize and honor the courageous service of those who in acting to protect others made the ultimate sacrifice.”

“The brave men and women of the fire service risk their lives each time they answer the alarm bell,” said **Missouri State Fire Marshal Randy Cole**. “We remember those who did not return from their final call, and we extend our thanks and support to the families they left behind.”

The firefighters whose names will be added to the Fire Fighters Line of Duty Memorial Wall are:

·**Senior Firefighter/Paramedic Doug Haase Sr., age 60, St. Charles Fire Department, Feb. 1, 2012.** Firefighter Haase experienced a medical emergency shortly after returning from an emergency call. He had been in the fire service for 27 years.

·**Fire Chief Eddy Wayne Meador, age 54, Pattonsburg Fire and Rescue Protection District, Dec. 8, 2012.**

Chief Meador passed away at his home from a medical emergency after responding to several emergency incidents that day. He had been in the fire service for 35 years.

·**Firefighter Jeffrey Hudson, age 46, St. Louis Fire Department, Dec. 12, 2012.**

Firefighter Hudson suffered a fatal medical emergency while on duty at the firehouse. He had been in the fire service for 18 years.

Both events will take place at the Fire Fighters Memorial of Missouri, which is located one block northwest of the I-70 & U.S. Highway 54 intersection (I-70 Exit 148) in Kingdom City, Mo. There are plans to build a firefighters museum on the site. Donations to the Firefighters Memorial Foundation and the Fire Fighters Association of Missouri can be made to support the memorial.
