Dexter, Missouri – Friday, June 7th is National Donut Day! Whether it's jelly-filled, powdered, chocolate or frosted, donuts have been one of America's favorite sugary treats.

The Salvation Army began the tradition in 1938 by having a Donut Day Fundraiser to help those struggling during the war. To honor all of the thousands of female volunteers who served donuts to soldiers behind the front lines in World War I the first Friday of June became a national day to celebrate.

In honor of National Donut Day and those women who risked their lives to offer a little taste of home to the soldiers, pick up some freshly baked treats for your friends, family, and employees. The yummy treats will bring smiles to their faces!

Dexter's newly opened **Holey Cow Cafe** offers freshly served donuts daily. They are located in the old Wendy's building at 1119 N. Mile Road, near Burger King.

They offer Glazed, Long John's, Cinnamon Rolls, Twists, Cake, Jelly, and Cream-filled donuts. Some with sprinkles on top, others covered in chocolate. YUM!

Enjoy watching them prepare the donuts by hand using a family recipe that dates way back. Choose just one or pick up a dozen. Either way you will love their

donuts!

And while you are there try their premium, gourmet coffee roasted and blended to perfection. Their specialty flavored syrups help create just eh perfect cup of java to start your morning. They also offer a large selection of cappuccinos, frappes, and smoothies.

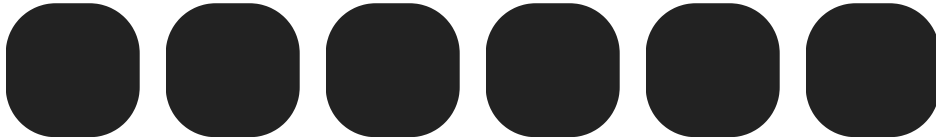

In honor of National Donut Day, pick up some freshly baked treats for your friends, family, and employees. The yummy treats will bring smiles to their faces!

*Holey Cow Cafe has a great special, **ONE DOZEN GLAZED DONUTS FOR \$6.50.** HONOR those that served and celebrate with a donut!*
