Dexter, Missouri - These young ladies sure know how to sell sweetcorn! I have to admit, it was some of the best tasting corn on the cob I have ever eaten. It just melts in your mouth!

Round two for KRUSE KORN will be on Thursday, July 18th around 5 p.m. at West Park in Dexter! If you want to pre-order, they will have it sacked and ready for you. It is good stuff! SUPER SWEET! \$4 a dozen. Just go to Kerri Grobe Kruse or Scott Kruse's Facebook pages and let them know. The girls will be so excited. This is how they earn their summer money and they work very hard!

Addie and Andie Kruse and Magi McBride will be anxiously awaiting for people to drop by and buy some corn!
