Piedmont, Missouri - Three Rivers College's Center at Piedmont will hold a student registration event from 4-6 p.m., Thursday, August 8, at Clearwater High School.

The event is designed to make it more convenient for Piedmont residents to register for Three Rivers classes. Prospective students attending the event can register for classes offered at any of the college's locations, as well as those offered at the Piedmont site, or online.

Among the classes offered in Piedmont during the upcoming Fall semester are fundamental college writing and reading courses, General Psychology, and Principles of Accounting. Students wanting more detail on these classes, or on classes offered at other Three Rivers locations, should go to trcc.edu and click on "Search for Classes."

"Our ability to offer classes to communities across southeast Missouri is one of our greatest strengths," said Dr. Devin Stephenson, President of Three Rivers College. "We believe that people should have access to a quality, affordable education wherever they live."

New students must register in person. In addition to the Piedmont registration event, new students can also register through August 16 at the Poplar Bluff campus, and at Centers in Sikeston, Dexter, Malden, and Kennett. For more information or to schedule an advising appointment, call 573-840-9605. Fall classes begin August 19.
