# The Moore Brothers of Dexter to Release CD

## The Moore Brothers of Dexter to Release CD

*Written By Jill Temples*

*SMT Writer*

**Jonesboro, Arkansas-** Dexter native Tim Moore admits that he doesn't come from a family that is very musically inclined, but growing up he always wanted to play in the band. Tim started playing the trumpet in fifth grade and has been heavily involved with music ever since.

In October 2011 he founded a jazz/funk group named Caprice. Caprice will hold a concert on **August 17th** to release their first album. The concert will begin at **7:30 p.m.** and is being held at **TheArts@311** located on 311 South Church Street Suite E in Jonesboro, Arkansas.

**Tim Moore, Brandon Moore, Matt Bounds, Alex Ditto, and Addison Boling** are all members of the band and are residents from the surrounding area. Tim and Brandon Moore are brothers that have both recently graduated from Dexter High School. Matt Bounds is from the Poplar Bluff area, Alex Ditto is from Hoxie, Arkansas, while Addison Boling comes from Jonesboro, Arkansas.

Tim claims the band first came together while all of the members except Brandon were attending Arkansas State University in 2011. The band decided on the name Caprice because the term Caprice means a sudden, impulsive, and seemingly unmotivated notion or action, which is a vivid description of jazz. This was also one of Tim's favorite pieces of music entitled Caprice no. 24 by Niccolò Paganini.

The CD has been a culmination of the past 2 ½ plus years the group has been together. All of the songs are original tunes and were written by Tim with a majority of the songs written by Tim's younger brother Brandon, a 2012 graduate of Dexter High School.

When asking Tim how he felt about playing in the band with his brother Brandon, Tim answered: "It is fun. Brandon is a great saxophone player so I wanted him to play with the band because he brings a lot to the table. He plays most every saxophone and he can play many different styles. It gives us more room to work with as a group and we can cover a larger spectrum musically. Also, since he is my brother I know him so well I can put him in a situation that best suits his skills, and he does the same for me. Being brothers definitely has helped the chemistry of the band progress faster. "

**From Dusk til Dawn** is the title of Caprice's first album. Larry Heyl is the producer of the album with Tim Moore being the co-producer. Elizabeth Dryer completed all of the artwork for the album.

For anyone interested in purchasing a CD, they will be available on CD baby and iTunes for digital download. The cost of a CD will be \$10.00. To purchase a CD email [capricejazz5@gmail.com](mailto:capricejazz5@gmail.com). Live recordings are also available on the bandpage app to get a preview of the songs.

When asked about the future plans of the band after the CD release Tim commented: "The main motivation behind making the CD was to make a physical recollection of our hard work as a group over the past years. Brandon and I are going to be attending a different school in the fall so I don't know often we would get to play with the guys again. So we recorded a CD to preserve our time spent together and give our fans a part of that as well."

***Join Caprice on Saturday, August 17th at TheArts@311 located on 311 South Church Street Suite E in Jonesboro, Arkansas to release their first album. The concert starts at 7:30 p.m.***

# Wolf Harvey a Master Artist

JULY 19TH 2013 BY DEE LOFLIN

Wolf Harvey a Master Artist

*Submitted by  
Dee Loflin, SMT Manager/Writer*

**Buffalo, Missouri** - Rendezvous folks are like family and when one of us succeeds in life, we try to share their accomplishments with the world. My friend, Wolf Harvey, is a Missouri-born artist and master creator of Native American art including carving and sculpting. Born not far from the Cherokee Trail of Tears and is perhaps one of the most talented young artists of our time. He resides in Buffalo, Missouri. His art is truly beautiful!

Few artists can rival the standards of excellence with brilliance, superiority and distinction achieved by Master Artist Wolf Harvey over the past 20+ years. He is truly one of the country's most widely talented, recognized, primitive Native American artists who won First Place at the 36th Annual Trail of Tears Art Show in Tahlequah, Oklahoma in the Sculpture Division.

Wolf Harvey is one of the most sought after primitive, Native American artists and is most popular in Black Powder and Pow-Wow circles and Native American art.

## **Relief Carving**

Mr. Harvey is best known for his diverse artistic abilities. He transforms natural skulls and bones in to masterpieces of art by relief carving and painting. He created a traditional six-hole Native American flute from a bear arm bone with remarkable sound. He carved a life-size snapping turtle sculpture made from cedar and hand-hammered copper shell complete with mastodon ivory claws, a gourd rattle and amber eyes to which the base was a two and a half foot hollow tree with the story of "Grandfather Turtle" painted in it. The turtle stood on a marble top placed over the tree stump.

## **Flint-knapper, Boat Design, Custom Paddles and Bow Maker**

In addition to his master sculptor talent, Artist Wolf Harvey is also a flint-knapper, a bow maker, a painter, a knife artist including obsidian, stone, wood, bone, antler, steel, and Damascus knives. He also carves a variety of stone resulting in flutes, pipes and other masterpieces. Wolf has also designed and created boats, kayaks and custom paddles, does custom gun building and other diverse masterpieces. He custom designs accessories for motorcycles from copper, steel and bone as well. He is a jewelry craftsman, and custom clothing designer for Native American Regalia. When it comes to leather, furs and other natural materials, Mr. Harvey has no limits. He invites and thrives on challenges that to most would seem unreachable.

## **Unparalleled Creativity**

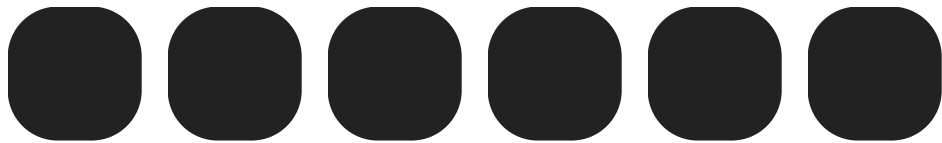

Wolf has created, shaped, formed, twisted, painted, sculpted and produced thousands of masterpieces with none mass produced, each piece being unique and exclusive. Mr. Harvey has created a vast amount of inventions that were born with his unprecedented, unparalleled, imagination. His friends say he has mastered all of the aforementioned talents and then some.

His use of earthy, traditional colors and Native American style with art born from his impeccable imagination and his fascinating style is often cited as the reasons for his immense popularity. Truly a modern-day Einstein with talents exceeding any renaissance artist.

Please visit Wolf on his Facebook page. He welcomes questions and comments on his art and invites you to meet him in person at Black Powder Rendezvous. He typically camps at the Old Greenville Rendezvous in April and he might make a surprise visit to the "Rendezvous on the River" in New Madrid, Missouri on October 4th and 5th, 2013.
