Regional Healthcare Scholarship

AUGUST 12TH 2013 BY DEE LOFLIN

Regional Healthcare Scholarship

*Written by Jill Temples
SMT Writer*

Dexter, Missouri- The Regional Healthcare Foundation has announced a scholarship for **non-traditional students entering a healthcare field**. The Regional Healthcare Foundation offers \$500-\$2500 scholarships to non-traditional students entering a healthcare field.

The student must be a resident of Stoddard County or a graduate of a Stoddard County high school. Our definition of a non-traditional is “a student twenty-five years of age or older who has had their education interrupted for at least five years.”

Requirements for the scholarship are listed below:

1) Write an essay of at least 400 words (typed)

-Please write about the time since you ended your formal education. Include work experiences, relationship experiences, life experiences and future plans.

-Do you meet our non-traditional student definition? (top of page)

-Have you or are you currently receiving assistance from the Regional Healthcare Foundation? What type of assistance?

2) Submit two letters of reference excluding family members. Reference examples would include employer, teacher, minister, etc.)

Applications are available by contacting the Regional Healthcare Foundation in Dexter. If you meet those qualifications please complete the application and mail to **REGIONAL HEALTHCARE FOUNDATION, 215 W. GRANT, DEXTER, MO 63841**. The application must be postmarked by **August 23, 2013**.

***Students may reapply for this scholarship if the degree/certificate requires more than one year for completion. A new application with grades or transcript must be submitted to Regional Healthcare Foundation before additional funding will be considered.**

Three Rivers Named Missouri Top 10 Safest Campus

Three Rivers Named Missouri Top 10 Safest Campus

*Submitted by
Dee Loflin SMT Manager/Writer*

Poplar Bluff, Missouri - StateUniversity.com has named Three Rivers College as one of the top ten safest college campuses in the state of Missouri for the third year in a row. The website ranks the safety of colleges and universities in the U.S., based on incidents of campus crime as reported by campus safety officials.

“Protecting the safety of our students, faculty, staff, and visitors is of utmost importance,” said Dr. Devin Stephenson, President of Three Rivers College. “We must be effective in planning and prevention and, should there be an incident on campus, we must have effective protocol in place for response and recovery. The Campus Safety Department is doing an excellent job in leading our college safety and security initiatives.”

Chuck Stratton, Acting Chief of Campus Safety and Security, credits the entire Three Rivers community with the continued success of the college’s public safety initiatives.

“Even though this award highlights our department, helping keep our campus safe is everyone’s job,” said Stratton. “This recognizes not only our officers, but the efforts of staff and students as well. We’re only the facilitators.”

In addition to Campus Safety’s initiatives, Student Services at Three Rivers uses an emergency alert system through which warning voicemails, emails and text messages can automatically be sent to students and employees.

“The support we get from the entire campus and the administration plays a big role in our success,” said Stratton. “Whenever we’ve proposed additional training or more officers to be added to our staff, we’ve always been met with a positive response. I’m also extremely proud of my entire staff, both the full-time and reserve officers.”

“Campus safety and security has always been a priority for me,” Stephenson said. “That’s the very reason I created a department of campus safety at Three Rivers College. On any given day, our campus population is larger than many Missouri towns, and it is our duty to do everything possible to ensure the safety of our people.”

The latest campus security report is available for review online at trcc.edu/publicsafety.

Registration remains open for Fall classes at Three Rivers through August 16. Those interested in attending classes at Three Rivers can visit trcc.edu/admissions to apply, or should call 573-840-9605 for more information. Returning students can register for classes online under the myTRCC section of trcc.edu.

Three Rivers College is committed to contributing to the quality of life in Southeast Missouri with quality, affordable higher education opportunities and community services that support and encourage the economic, civic, and cultural vitality of the region. For more information about college and workforce programs and upcoming events, visit trcc.edu.
