Dexter, Missouri – The Cub Scout Pack 200 will host a Water Carnival themed membership drive this Sunday, August 25th from 2:00 p.m. – 4:00 p.m. (RAIN OR SHINE)

Scouts, parents and leaders will be available at the West City Park in Dexter, Missouri to answer questions and recruit boys and area volunteers interested in working with the local Cub Scout Pack.

The Cub Scout Pack is open to young boys in grades 1 through 5. Scouts and volunteers can participate with the organization and help promote moral, character, and skill development for young males and provide year-long activities and programming.

Cub Scouts typically meet weekly, have a great summer camp experience and provide many ways to “earn your way”, which lessens the financial burden on mom and dad.

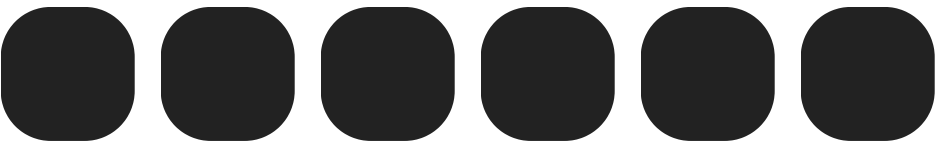

Any boy interested in joining Cub Scouts should come to the park prepared to get WET! Parents will be required to fill out a short registration form and pay a small fee of only \$25. This will include national dues, a Boys’ Life subscription, and the

appropriate Cub Scout Handbook. Information and other costs, fundraising, uniform information, and volunteer opportunities will also be available.
