Shepherd's Fold Ministry is a non-profit organization with the dedication to helping men overcome their addictions. The Ministry does not receive funding from the state or federal government but relies on its funding by individuals, churches, businesses, and monetary donations. All donations are deductible by law. With your gift you are helping make a change one family at a time. We reach out to the entire family by providing the families of the men who enter our program with food boxes, hygiene items, cleaning supplies, and paper products. In 2012 Shepherd's Fold gave out 348 items, after giving out 182 items in 2011.

**Some of the services that are offered to men at the Shepherd's Fold Ministry are:**

- Room & Board
- Life Skills Training  
(When teacher is available)
- Bible Study
- GED
- Continuing Education Assistance
- Job Training/Placement Programs
- Food Pantry for families

Residents typically spend eight months in house and then enter the outpatient phase for four months of aftercare. During their eight months in house they attend church, Celebrate Recovery, Overcomers program, and have daily Bible studies. They learn responsibility by doing daily chores, work projects, and eventually obtain employment.

During the out patient part of the program the men are subjected to random drug screens and must attend two meetings each week. These men will transition back into society by applying the skills they have learned.

Everything we do at The Fold is made possible through the generous donations of people just like you. We have seen God use the smallest to the largest gift to make a difference in the lives of these men.

**Below is a list of things you can do to help these men and their families if you are interested.**
