Richland Goes Orange for Hunger Action Month

SEPTEMBER 05TH 2013 BY BETH FARRAH

Richland Goes Orange for Hunger Action Month

Essex, Missouri – Today, the students of Richland High School and Elementary School kicked off their school- and community-wide Backpack Program by wearing orange for “Go Orange Day”. Go Orange Day was created is supported by No Kid Hungry: Show Our Strength, Action Against Hunger, Food Bank of America, Feeding America, and other well-known organizations with the same goal. It is a program that is growing quickly across the nation that is helping to end hunger in America. No Kid Hungry helps students and kids in different parts of the country eat breakfast before school, eat lunch while at school, and be able to go home to a nice meal at dinner time so they are able to grow properly and have the nutrition they need.

Today, Thursday, September 5th, was the official kickoff for the nationwide Hunger Action Month. Go Orange Day is a day that helps bring awareness of the large issue that

even exists in our small communities. Buildings, landmarks, and people across the country will go orange for the day to help make a statement. Richland was proud to be a part of this big day. All the Richland students ranging from kindergarteners to seniors in high school get to play a part of this month-long-movement that has a real and lasting impact on the mission to end hunger in America.

The students and faculty were proud to wear orange today and are excited to continue participating in the upcoming events put together by the school nurse, Carly Jones. Go Orange Day also kicked off the Backpack Program, which was first put together last year by Jones, the High School Beta Club, and their sponsor Stephanie Monroe.

The Richland School District’s Backpack Program was created to service those in need in our community by packing backpacks full of food each and every Friday so that the students and families in need will be able to have nutritious meals all throughout the weekend. This year, the students are proud to announce that they will be serving even more families than last year. The Beta Club members will now spend each and every Friday in the nurse’s office, helping fill backpacks with food that will help provide our local families with weekend meals.

Days like today remind us that hunger is closer than we think. The Beta Club and the rest of the Richland students, along with other high school clubs, will be holding food drives throughout the fall to support their Backpack Program along with the local food banks.

TS Hill Middle School Rocks the Night Away!

*Written by
Dee Loflin, SMT Manager/Editor*

Dexter, Missouri - One thing students look forward to after the short summer is behind them and they have to return to school is the Back to School Dance. TS Hill Middle School had one rockin' party going on as Tim Holder provided the DJ services and the students danced the night away.

Over 300 students participated and enjoyed the back to school dance last Thursday evening. What a way to get back into the swing of going to school!!

Above is a calm, happy photo of the middle school students. Below is a more REALISTIC crazy bunch of great students who had a blast! Students took some wild and wacky photos at the dance along with wearing some glow jewelry, glow headbands and the like.

The Middle School sure knows how to have fun! Makes this writer want to go back and relieve those glory days again!

We hope all the 6th, 7th and 8th graders have a fantastic school year! Go Bearcats!!!!
