More than 10,000 Missourians take Governor's 100 Missouri Miles Challenge Governor and First Lady continue to log miles, encourage Missourians to help outdoor fitness initiative reach 1 million miles before the end of the year.

**Jefferson City, Missouri** – The number of Missourians who have taken the Governor's 100 Missouri Miles Challenge passed the 10,000 mark on Wednesday, and Gov. Jay Nixon and First Lady Georganne Nixon are encouraging them to continue logging miles in order to reach the goal of 1 million miles this year.

Launched to promote Missouri's distinction as the 2013 Best Trails State in America, the outdoor fitness initiative challenges Missourians to complete 100 miles of outdoor physical activity by the end of the year. Since the official launch on June 1, participants have completed more than 745,000 miles, including 288 miles by the Governor and 289 miles by the First Lady.

"The response to this initiative has been overwhelming, with more than 10,000 Missourians signing up to take the Challenge in the first few months alone," Gov.

Nixon said. “The First Lady and I are proud to celebrate this milestone with thousands of Missourians in every corner of the Show-Me State.

“Reaching our goal of 10,000 participants would not have been possible without the hundreds of families, businesses, and organizations all over the state that have embraced this initiative as a way to improve their health and take part in Missouri’s outdoor heritage,” the Governor said. “With thousands of miles of outstanding trails to enjoy, I encourage Missourians to keep logging their miles online at [MO.gov](http://MO.gov) to help us reach our 1 million mile goal later this year.”

Missouri was recently named the “Best Trails State” by American Trails, a national, nonprofit organization dedicated to promoting our nation’s hiking, biking and riding trails. The award recognized efforts by federal, state and local agencies as well as private organizations to expand and improve Missouri’s comprehensive recreational trail system, which offers trails for a wide range of interests and abilities, including hikers, backpackers, cyclists, paddlers and equestrians.

Nearly 200 organizations – including schools, cross country teams and fitness clubs – have signed up to take the Challenge as a group, while almost 30 Missouri businesses have implemented the initiative into office wellness programs to promote overall health and physical activity among employees.

Missouri State Parks is also a top-four finalist for the 2013 National Gold Medal Awards. The Gold Medal Awards program honors communities that demonstrate excellence in parks and recreation through long-range planning and program development. This recognition is a reflection of the state's dedication to protecting and preserving Missouri's natural resources.

The Governor’s 100 Missouri Miles Challenge is a partnership with the Missouri State Parks, the Missouri Department of Health and Senior Services, the Missouri Department of Conservation, the Missouri Division of Tourism and the Office of Administration.

For more information and to take the Challenge, visit [MO.gov](http://MO.gov). Participants can also share adventures, post photos and learn about upcoming events by connecting with 100 Missouri Miles on [Facebook](https://www.facebook.com/100MissouriMiles) and [Twitter](https://twitter.com/100MissouriMiles) using #100MoMiles.

## Perfect Day for a Stoddard County Parade

SEPTEMBER 17TH 2013 BY STAFF WRITER

Perfect Day for a Stoddard County Parade

*Submitted by*  
**SMT Writer**

### **Eighty-Six Years and Going Strong!!**

**Dexter, Missouri** - The detail shops around town are busy in preparation for tonight's Stoddard County Parade. The long lineup of emergency vehicles, bands, floats and fun will be gathering at the North end of Stoddard Street as the parade watchers fill the sidewalks.

The tradition of the Stoddard County Parade and Fair dates back as far as 1917 when the carnival came to town and setup near the old National Guard Armory. The story is told they would begin to march to the fair down Stoddard Street to Locust Street and on to the fair grounds. In the 1960's, it was decided to move the East City Park area in Dexter.

The earlier version of the Dexter Jaycees managed and organized the Fair activities until the 1970's, when the Dexter Fair Board assumed the role for the fair. The Fair Board was handed the reigns of the parade from the Dexter Lions Club for the Stoddard County Parade in the early 90's and have been duly assigned ever since.

When it comes to an event of this magnitude, there are some real key individuals that selflessly give of their personal time, vacations, and work to make these events happen. It's a year around job many times and many don't realize the dedication involved.

"My brother-in-law says 'there is a fine line between a dedicated person and a stupid person,'" says Sam Huey Jr. "... and my family thinks I might have crossed that line."

</images/2012 Article Pics/Local/SCP13 Mid1.jpg>

Sam Huey Jr. has been involved with the Stoddard County Fair for nearly 40 years. He started working with the fair through the Jaycees in 1973. A short move from Dexter brought him back in 1979, and he has been a permanent fixture to the fair every since.

Unlike any other year, Sam donates one of his vacation weeks for this affair.

"There is a lot to get done to be prepared," added Huey. "It's really something that I have enjoyed doing."

Other members of the Stoddard County Fair Board that continue their passionate work each year are Sam's wife, Robin Huey, Pam and Amy Dowdy, John Dowdy, Kevin Holman, this years chairman, Bud Parsons, and countless others that give of themselves to put the smiles on the faces of Stoddard Countians.

The Fair Board is engaged on many levels preparing, upgrading, and sponsoring other event throughout the year. The events range from rodeos to truck and tractor pulls to demolition derby's. There is also work involved as they board is busy upgrading the fair grounds for this annual festival.

The group attends the annual Fair and Festival Conference each year to stay abreast of the latest ideas that help to make the Stoddard County Fair a great success.

When asked "What keeps you all going every year? Pure Desperation," was Huey's reply.

"For the most part, we are a non-profit organization," explained Sam. "The fair is our main money maker each year but allows us the ability to make the necessary upgrades and expansions to the grounds that are needed."

As you are around the fairground this year, you will see some of those upgrades to the tune of \$80,000 in improvements to the 4-H Building, the new bathroom facilities and the new stage the strong lineup of entertainers this year. The Fair Board even partnered with the City of Dexter when the pressurized sewer system was installed at the East City Park.

"We are constantly trying to improve something," noted Huey.

The Dexter Fair Board encourages all area residents to make time to come and be a part of the festivities tonight and each night this week.
