US Bank is Proud to Support Our Troops!

*Written by  
Dee Loflin, SMT Manager/Editor*

**Dexter, Missouri** - US Bank of Dexter is proud to support our men and women in the armed forces. In recognition of our U.S. troops overseas, US Bank will serve as a collection site for donated items which will be sent to our soldier.

Collection dates are from October 1st - October 31st so there is still plenty of time to donate. Items requested are prepackaged, nonperishable food items such as jerky, beef sticks, chips, drink packets, Jolly Ranchers, gum, and mints. Socks, hand held games, playing cards, board games, Chapstick, stationary & envelopes, magazines, phone cards, wet wipes, foot powder, and hand lotion.

They can not accept aerosol cans, chocolate or food items that will melt, fireworks and explosives are prohibited.

All shipping expenses will be paid by US Bank Development Network. For more information please contact Cindy Hayes at 573-624-8976.

Congratulations Logan! Job well done and we are so proud of you!
