7th Grade Middle School Cheerleaders

*Written by
Dee Loflin SMT Manager/Writer*

Dexter, Missouri - Middle School cheerleading is where all the fun begins. You will enjoy summer camp, pep rallies, football and basketball games and many other exciting events. Practice is demanding, but the experience of cheering at games with stands full of screaming fans will give you memories to last a lifetime.

Cheerleaders are role models to elementary students. They hold a very important job as a middle school cheerleaders to those future Bearcats who may one day become cheerleaders themselves..

The T.S. Hill Middle School cheerleaders have worked extremely hard on their routines and if you haven't had a chance to see their awesome half-time performance just attend any middle school basketball game.

The girls have some great moves including some flying flips and fantastic acrobatic moves across the court. Not only are they currently performing during basketball season, but they also cheered at all of the home middles school football games. These ladies have already had a very busy school year and they are truly dedicated to their sport! Way to go Bearcats!

They will be performing tonight, Thursday, November 7th during the middle school boys basketball game vs Bloomfield at the Bearcat Event Center. Game time is 6:00 p.m.
