Dexter, Missouri - Being a cheerleader in high school can be one of the most "looked-up-to" activities a student can be involved in, but it can be hard work as well. The T.S. Hill Middle School 8th grade girls definitely know what hard work is and they have an awesome routine.

Middle School cheerleaders are preparing themselves for high school and as each half-time routine is completed it's one day closer to the big time! As a top representative of Dexter schools, cheerleaders are a role model to many.

Little girls dressed in cheerleading uniforms have their eyes on each cheerleader at every performance. People in the community recognize them from their many appearances. Teachers, coaches and other students always notice what they do because they are cheerleaders.

The T.S. Hill Middle School Cheerleaders are well respected in the community on and off the court. They work hard on their routines and enjoy sharing their experiences with the community. Please take a moment and watch these very talented young ladies perform their routines and cheer for the Bearcats. You won't be disappointed as they are awesome to watch!

They will be performing tonight, Thursday, November 7th during the middle school boys basketball game vs Bloomfield at the Bearcat Event Center. Game time is 6:00 p.m.
