**New Madrid, Missouri** - The Lady 'Cats traveled to New Madrid to take on the Eagles Thursday evening and completely destroyed them 96 - 21. Every Bearcat was given an opportunity to play against New Madrid and several scored.

Dexter started out slow, but quickly moved the tempo and began scoring and scoring and scoring throughout the night! The Bearcats scored 28 points in each of the first 3 quarters and held the Eagles to only five points in the second half.

"I didn't think we really started out that well," commented Dexter's head coach Chad Allen. "We missed a few of the shots early and I didn't think we really guarded well in the beginning of the game, but once we settled in I thought the girls played really well."

Dakota Reynolds had a game-high 20 points followed by Paige Patterson with 19 points. Dakota sunk four 3-pointers against the Eagles.

"Dakota Reynolds can definitely score," Allen stated. "That's one thing we do really well as a team. All seven of our varsity players can score on any given night. She did well tonight."

Three other Bearcats scored in double digits. Erika Cobb tallied 16 points and Hannah

Noe finished with 17 points. Alison Jarrell hit three treys for Dexter and ended with 11 points.

The JV Bearcats also played, but just two quarters and defeated the NMCC JV Eagles by a score of 21-20. Photos are available on our Facebook page, just click **HERE**.

## Twin Rivers Rolls Over Dexter

Twin Rivers Rolls Over Dexter

*Written by  
Dee Loflin, SMT Manager/Editor*

**Dexter, Missouri** - The Dexter boys basketball team needed a win, but Twin Rivers was not going to let that happen.

The Royals scored first and never looked back as they defeated Dexter 53 – 25. Dexter hasn't had much of an opportunity to play this year as weather hampered their schedule early on. This was only their second game of the season adding another loss. Their first opponents were the Charleston Bluejays.

The Bearcats were able to hold them to a 29 - 10 lead at half-time. Twin Rivers was very consistent hitting in double digits in all four periods. "Rebounding was definitely a big factor," continued Nichols. "In the first half, Twin Rivers wasn't making the first shot, it was the second and third shot that they got each possession. They were much more physical than us and just pursued the ball more aggressively off the rim. Rebounding was a concern for us coming into the season."

"In the second quarter, we had some foul trouble that plagued us. We missed some shots that we felt like we had to make, but I thought Twin Rivers guarded us well." stated head basketball coach Rob Nichols. "You have to credit them for contesting shots and forcing some turnovers during that stretch."

Peyton Pollock #12 scored a game-high 8 points including one 3-pointer. Ethan Flowers #24 tallied 7 points for the Bearcats include a trey. Both Cole Renken #33 and Blake Horton #3 scored 4 points each and D.J. Dowdy added 2 points.

"Right now, we are going to have to focus on being more team oriented offensively." continued Nichols. "I feel like we are very impatient and have poor shot selection at this point. We're having trouble passing and catching the ball cleanly right now as well which I think can be attributed to our impatience also. Just not a lot of chemistry offensively for us right now."

### ***Final Score Dexter Bearcats 25 – Twin Rivers Royals 53***

Twin Rivers Royals	12	17	13	11	53
Dexter Bearcats	6	4	8	7	25

**Twin Rivers (53)** - Eric Ray 16, Nathan Watson 6, ,Jase Worley 5, Zach Underberg 4, Mason Douglas 6, Andrew Mittlestadt 7, Seth Snider 4, Jesse Robards 3, Chance Wilkerson 2. FG 20, FT 8/10, F 13. (3-pointers: Underberg 1, Douglas 2, Worley 1, Robards 1. Fouled out: none)

**Dexter (25)** - Peyton Pollock 8, Ethan Flowers 7, Blake Horton 4, Cole Renken 4, D.J. Dowdy 2, FG 9, FT 5/8, F 10. (3-pointers: Pollock 1, Flowers 1. Fouled out: none)

Nichols went on to say, "We are playing some young players, so you have to believe that there will be improvement that comes with experience. Our chemistry offensively and rebounding is something that has to improve for us to compete on a nightly basis."
