Dexter Rotary Club to Host Blood Drive

Dexter, Missouri – The American Red Cross is asking all eligible blood and platelet donors to help offset a weather-related shortfall in donations. Approximately 300 blood drives across 25 states were cancelled across the U.S. due to snow and extreme cold. The blood drive cancellations resulted in a shortfall of nearly 8, 800 blood and platelet donations since Jan. 2

The Rotary Club of Dexter is ready to help. They are hosting a Blood Drive on Monday, February 17th from NOON – 5:00 p.m. at the Sacred Heart Catholic Church Hall. The church is located at 102 East Castor in Dexter.

Platelet donors, as well as blood donors with the most in-demand blood types — O positive and negative, A negative and B negative — are urgently needed to give blood in the days and weeks ahead to offset the shortfall.

Platelets, a key-clotting component of blood often needed by cancer patients, must be transfused within five days of donation, so donations are constantly needed. Red blood cells, the oxygen-carrying component of blood, are the most widely transfused blood product and must be transfused within 42 days.

How to donate blood

Simply call 1-800-RED CROSS (1-800-733-2767) or visit redcrossblood.org to make an appointment or for more information. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

About the American Red Cross

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission.
