Missourians are Advised to Stay Home Sunday

**Jefferson City, Missouri** - Another major winter storm will enter Missouri this evening, bringing freezing rain, sleet, snow and bitterly cold temperatures. Due to expected hazardous conditions, the Missouri Department of Transportation has issued a "no travel advisory" starting tonight and extending through Sunday.

The National Weather Service has issued a winter storm warning from 6 p.m. tonight until 6 a.m. Monday. This storm will will impact travel across the entire state, with a chance for up to 10 inches of snow in the Kansas City area and northeast portion of the state. The rest of the state will have lesser amounts of snow but could have more ice accumulation and high winds.

Winds are expected to be 10-20 mph throughout much of the storm with gusts to 30 mph at the end of the storm, particularly in southeast Missouri. Sub-zero low temperatures are predicted for the northern half of the state on Sunday, with highs not expected to reach much more than 10 degrees.

"For your safety and the safety of our crews, we're asking that once this storm hits your region of the state, you avoid travel unless it is a dire emergency," said Elizabeth Wright, MoDOT state maintenance engineer. "Snow is predicted to be heavy at times and when accompanied by ice and the extremely low temperatures it makes travel extremely

hazardous.

"Blowing snow and high winds make it very difficult for MoDOT crews to clear roads," said Wright. "If there are no other vehicles on the roadways, we have a much better chance of making progress so traffic can get moving again."

Should you attempt to travel during this storm, bring your mobile phone and winter survival supplies. If you do become stranded, stay with your vehicle and call 911. Be aware that emergency responders may have difficulty reaching you.

Stay informed about Missouri road conditions by using MoDOT's Traveler Information Map, available online at <http://www.modot.org/>, or through MoDOT's smartphone app, available for iPhone and Android phones. The map offers current views of road conditions for Missouri interstates and highways. You can zoom in to a particular location, check live weather radar, and view images from MoDOT's traffic cameras and message boards.

MoDOT also provides road condition information through our Customer Service Center. Dial 888-ASK-MODOT (888-275-6636) to speak with a customer service representative 24 hours a day, 365 days a year.

# Jaycees Shoes for Students Success

FEBRUARY 16TH 2014 BY BETH FARRAH

Jaycees Shoes for Students Success

**Dexter, Missouri** - The Crowley Ridge Jaycees hosted a “Shoes for Students” shoe and sock drive during the holiday season and successfully donated a total of two hundred and thirty nine pairs of shoes to Stoddard County students! The Jaycees would like to thank the community for all of their support for their new club and all of their events. The shoe and sock drive took place back in December and they successfully donated the shoes to elementary students in all the schools across Stoddard County. The Jaycee members worked case by case to help pass out the shoes to each student in need at each local school.

The Jaycees are thrilled by their first charitable success as a new club and hope to continue the sock and shoe drive and that it will keep growing bigger and bigger. The club is hoping that Shoes for Students will be an annual event, if not semi-annual. All the donations given were truly valued and the help from Dexter Wal-Mart was greatly appreciated in gathering the shoes for the students.
