Icy Conditions in Neighboring States Could Lead to Delays

*Submitted by  
Dee Loflin, SMT Manager/Editor*

**Missouri** - Today, icy conditions in Missouri's neighboring states, Arkansas and Tennessee, led to interstate closures in the Missouri Department of Transportation's Southeast District.

The recent storm hit portions of western Tennessee and northeastern Arkansas, leaving several inches of ice that is challenging to clear in the currently frigid temperatures. With temperatures falling overnight, there is a potential for refreeze, as well as significant delays due to slow moving traffic.

Specifically, Missouri travelers are encouraged to avoid taking southbound Interstate 55 toward Arkansas or southbound Interstate 155 toward Tennessee.

In combination with the winter weather, Arkansas also has a single lane work zone on southbound I-55 near Osceola. If an incident occurs, it will require the complete closure of southbound I-55 in Arkansas, which could lead to back-ups and closures in Missouri.

In Tennessee, the icy conditions have left tractor trailers unable to pull up the grade on southbound I-155 at Lennox Bluff (mile marker 6). During an earlier incident today,

wreckers were called to assist vehicles up the incline, which led to an eight-mile back-up on EB I-155 in Tennessee and the closure of I-155 in Missouri near Caruthersville.

Traffic on southbound I-55 and southbound I-155 is currently moving slowly with significant delays in Southeast Missouri. Motorists should see alternate routes. Specifically, tractor trailer operators should avoid southbound I-55 into Arkansas or I-155 into Tennessee.

As an alternate route to Arkansas, drivers may take Route 60 to Springfield, Mo. and Route 65 to Little Rock, Ark. As an alternate route to Tennessee, drivers may take Interstate 57 at Sikeston, Mo. to Interstate 24 toward Nashville, Tenn. Motorists are encouraged to avoid traveling through northeast Arkansas near Memphis.

Motorists are urged to use caution while traveling near these areas and to watch for slowed or stopped vehicles. Conditions are expected to improve in both Arkansas and Tennessee on Wednesday.

For more information about roadway conditions and incidents in Missouri, please visit the Traveler Information Map at <http://traveler.modot.org/map> or call MoDOT's Customer Service Center toll-free at 1-888 ASK MODOT (275-6636).
