Bloomfield, Missouri - In order to assist the cemetery staff in maintaining the appearance of the cemetery in an appropriate manner, they ask that you review and follow cemetery regulations. Please contact their office if you have any questions regarding these policies.

Vases are available from the cemetery staff. The cemetery is not responsible for lost or damaged containers.

Artificial Flowers: Artificial flowers are permitted on graves from October 15th through April 15th. Artificial flowers will also be permitted on graves 3 days prior to and 3 days following Memorial Day. Potted plants will be permitted on graves 10 days before and 10 days after Easter Sunday and Memorial Day only.

Christmas Season: Christmas wreaths and floral grave blankets will be permitted from December 1 through January 15.

Unauthorized Decorations: Permanent plantings, statues, pictures, balloons, vigil lights, breakable items of any kind, and similar commemorative items are not permitted on graves, markers, or niche covers. Upright metal grave markers (flag holders) are not permitted. Unauthorized items will be removed and disposed of by cemetery personnel.

Memorial Day: Graves will be decorated prior to Memorial Day with small flags. These flags will be removed immediately after Memorial Day and are not permitted on graves at any other time. Only one flag per grave is permitted. Artificial flowers will be permitted on graves three days before and three days after Memorial Day.

Prohibited Activities: Littering; cutting of trees, shrubs, grass, or other plantings; allowing pets to run loose; recreational activities such as jogging, skating, bicycling, etc; public gatherings of a partisan nature. Please do not sit on grave markers.

Thank you for respecting their requests. Keeping the cemetery nice year round is a tremendous challenge and they do such a good job. Please come out at 1:00 p.m. on Monday, Memorial Day for their annual celebration and tribute to those that sacrificed their life and served in our nation's military.
