The Missouri Department of Transportation has coordinated a series of open house meetings to ask residents to take a look at the draft list of local priorities and share their comments. The list a provision of Constitutional Amendment 7, an Aug. 5 ballot measure to temporarily raise Missouri's sales tax by $\frac{3}{4}$ cent.

Members of the media are encouraged to attend a public meeting anytime during the advertised hours to view the draft transportation improvements list and speak with key regional transportation partners. No formal presentations will be made.

The entire public meeting schedule, the draft transportation improvement list, and an online comment form are available at noon on June 13 at www.modot.org/movingforward.
