Family Video Hosting Fundraiser for Dexter Animal Shelter

Dexter, Missouri – Family Video will host a fundraiser until the end of July for the Dexter Animal Shelter.

They are asking for donations to help off-set the cost of housing stray, unwanted, and lost dogs and cats in Dexter.

Supplies needed are black trash bags, lots of paper towels, gloves, cat food, dog food, bleach, spray bottles, cat litter, blankets, cleaning supplies for the floors like Pine Sol. They would really like to have some old cages for both cats and dogs, especially animal carrier cages. They don't have to be brand new, just in working condition.

Financial donations are always welcome!

It takes a great deal of money and supplies to help our lost friends find great homes. Financial donations will go towards dog and cat shampoo, rubber mats, treats, toys, and collars.

Family Video also has available bracelets created by Brandy Fox, Manager of the store. They are just \$1.00 with all profits going to the Dexter Animal Shelter.

Please stop by with your donation and help the Dexter Animal Shelter. If you would like more information contact Family Video at 573-624-8226 or contact Ross (Animal Control Officer) at 573-624-5512

The Dexter Animal Shelter is located at 601 E. Grant St. in Dexter and there are plenty of sweet dogs and cats waiting for adoption. It is an extension of the Dexter Police Department. Thanks to Ross and many volunteers they are solely responsible for taking dogs off the street and providing them a temporary home at the shelter until their owners are found or they are adopted.

Bikers for Re-Entry Event Deadline July 23rd

JULY 09TH 2014 BY DEE LOFLIN

Bikers for Re-Entry Event Deadline July 23rd

*Submitted by
Dee Loflin, SMT Manager/Editor*

Cape Girardeau, Missouri - "Bikers for Re-Entry" event will be hosted by Cape Girardeau area re-entry partners, businesses, and citizens on Saturday, August 23, 2014, at Lawless Harley-Davidson.

All bikers are welcome to join the motorcycle run through the three scenic counties of Cape Girardeau, Bollinger, and Perry, and show off their bikes at the bike show.

In addition to door prizes, there will also be free food, music, and other family-friendly activities at Lawless Harley-Davidson that day.

Christian rock bands "Called" and "Stronghold" will perform.

Pre-registration for the ride by July 23rd guarantees a t-shirt.

Over 97% of people currently incarcerated in Missouri will one day return home to our communities, and they face a number of barriers upon release. Others are placed on probation and face many of those same barriers when trying to get their lives back on track to becoming more productive citizens.

Local re-entry groups, such as the Cape Girardeau Area Re-Entry team, bring community agencies, organizations, and citizens together to help break down those barriers through collaboration and innovation. Some of the biggest challenges are finding employment, stable housing, and transportation, and this event is being held to raise funds to support incidental expenses related to re-entry. Some need help getting their birth certificate and a photo ID to get a job, some need help with transportation to their new job until they get their first paycheck, and others need bus tickets to job interviews or medical appointments until they can get on their feet.

These people are our friends, family, and neighbors throughout our communities, and supporting them when they are trying to get their lives headed in the right direction makes a big difference—and also make our communities safer.

Events include: Food, games, entertainment-FREE -- Fun run ride-\$20; includes t-shirt if registered by 7/23 -- Additional t-shirts for passengers/others-\$10 (while supplies last) -- Bike Show-\$5 entry fee per bike (FREE for paid “fun run” participants)!

Sponsorships are available for as little as \$100. For more information or to pre-register or help sponsor the event, find the “Bikers for Re-Entry” page on **Facebook** or contact Kay Azuma at **Community Caring Council** (573-651-3747 x104).

18FORE Life Receives Generous Donation

*Written by
Dee Loflin, SMT Manager/Editor*

Dexter, Missouri - Paul Rinck, who died almost a year ago was an avid supporter of 18FORE Life since it all began back in 2000. Through the connection of the farming industry and agriculture business ventures, Rinck and Barry Aycock (CEO of AgXplore) valued a close friendship.

In honor of his friend, Paul Rinck, Dr. Barry Aycock wanted to remember his free and giving spirit and his commitment to friends and family and therefore Aycock decided to make a contribution to 18FORE Life.

At the 18FORE Life charity banquet a check in the amount of \$10,000 was presented. Scott Kruse was blown away by the gift and valued the donation dearly. As with any donation the money goes towards providing \$1,000 love offerings to area cancer patients. Just recently Kruse announced that \$90,000 was being mailed to cancer patients.

For more information about 18FORE Life click **HERE**.

Shown in the photo are from left to right: Charlie Kruse, Ryan Lancaster representing AgXplore, Scott Kruse, Rinck's mother Jackie Rinck, Pam Kruse, and Rinck's sister, Amber Rinck.
