## American Legion to Host Blood Drive

JULY 31ST 2014 BY DEE LOFLIN

American Legion to Host Blood Drive

*Written by  
Dee Loflin, SMT Manager/Editor*

**Stoddard County, Missouri** - The American Red Cross has two Blood Drives schedule for next week in Stoddard County.

The American Red Cross encourages eligible blood donors to make and keep donation appointments to maintain the summer blood supply and help prevent a shortage. Donors of all blood types are currently needed, especially those with type O negative, B negative and A negative.

While the need for blood remains constant during the summer, donations drop. Between June and August, on average, two fewer donors give blood at each Red Cross blood drive than what hospitals need. This seasonal decline could be overcome if just two additional donors – above what is expected – give blood at each Red Cross blood drive this summer.

Every two seconds someone in the United States needs blood. Recently, a patient needed 79 blood products after injuries sustained during a car accident. Thanks to blood donors who gave in the days and weeks prior, blood products were readily available for this patient and thousands of others at approximately

2,700 hospitals and transfusion centers across the country supported by the Red Cross.

This summer, there are 100 chances to give hope with the Red Cross by giving blood. Visit [redcrossblood.org](http://redcrossblood.org) or call 1-800-RED CROSS to learn more and make an appointment.

### **Upcoming blood donation opportunities: Stoddard County**

**August 6, 2014 - American Legion Post 59 located at 620 West Oak St., Dexter. Across from West Park. Time 3:00 p.m. - 7:00 p.m.**

**August 8, 2014 - Mingo Job Corps Center located at 4253 State Hwy T, Puxico. Time 9:00 a.m. - 2:00 p.m.**

### **How to donate blood**

Simply call 1-800-RED CROSS (1-800-733-2767) or visit [redcrossblood.org](http://redcrossblood.org) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

### **About the American Red Cross**

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit [redcross.org](http://redcross.org) or visit us on Twitter at [@RedCross](https://twitter.com/RedCross).

## New Business Opens in Dexter - High Quality Water Works

JULY 28TH 2014 BY DEE LOFLIN

New Business Opens in Dexter - High Quality Water Works

*Written by  
Dee Loflin, SMT Manager/Editor*

**Dexter, Missouri** – Looking for a locally owned premium automotive detail shop? Look no further! High Quality Water Works LLP strives to deliver a clean shining product to their customers. Locally owned and operated by perfectionists Evan Jackson and Matt Banken, they will take your vehicle and put a shine on it like you have never seen before.

“Big or small we can do it all,” says Evan Jackson, co-owner. “We can do everything that a car, truck, camper, would need from washing, waxing, buffing, polishing, sealant, cleaning wheels, tires, chrome polishing, steam cleaning, leather and vinyl treatment, carpet protection, shampooing carpets, and washing the motor compartment. We can do it all!”

Currently they run by appointment only at 24 East Business Hwy 60 in Dexter. They have a bright orange bay door and have painted the mailbox and office door to match. Call them at 573-614-2881 or 573-820-6114 for an appointment.

Did you know that some automatic carwashes can damage or dull the finish on your vehicle? Correcting these imperfections in your paint can cost hundreds or even thousands! Also, trade-in values on vehicles with poorly maintained paint generally drop 10%-20%.

“We have a love for cars that helps set us apart from the competition. We can keep your car or truck maintained year round.” stated Jackson. “We won’t consider a job done until we are completely satisfied with the outcome!”

You can get a complete detail package or purchase specific cleaning needs such as the never ending BUG REMOVAL which is \$9.00, a regular wash is only \$12.00, and a wash and vac is just \$20. Quite reasonable prices!!

Evan and Matt have also created a Facebook page for their new business. Just click **HERE** and check it out. Let them know you saw their article on the ShowMe Times!!!

# Addie Medley Donates to Locks of Love

JULY 25TH 2014 BY DEE LOFLIN

Addie Medley Donates to Locks of Love

*Written by  
Dee Loflin, SMT Manager/Editor*

**Dexter, Missouri** – Addie Medley is about to turn nine years old on August 13<sup>th</sup>, however her wisdom and generosity is that of an adult far beyond her years.

She decided to cut her hair after years of growing and even learning to French braid her own hair at the age of eight. She thought of all the people who needed wigs because of cancer or childhood accidents or even those who have alopecia and knew that she could make a difference.

Addie's family is so proud of her decision and with a snip of the scissors over 10 inches of hair was donated to Locks of Love.

"I am very proud of her as hard as it was to watch them cut it, I know that's what she wanted," stated Kelly Medley, Addie's mom. "She learned to French braid and Fishtail braid her hair last year and was always fixing her hair in some cute style, so that was the hard part knowing she wouldn't be able to do that for a while. I know it will grow back out, but so thankful that she can do this."

Addie will have a new look when she enters 3<sup>rd</sup> grade at Dexter's Central Elementary School in just a few weeks. She has always been an overachiever and when her hair grows long enough she may just donate more to Locks of Love.

The Dexter community is extremely proud of you!

Locks of Love provides hairpieces to financially disadvantaged children in the United States and Canada under age 21 suffering from long-term medical hair loss from any diagnosis. If you would like more information or would like to

donate to Locks of Love click **HERE**.
