Registration Begins for Spring Semester at Three Rivers

Dexter, Missouri - Registration has begun for Spring semester classes at Three Rivers College, with openings available for new and returning students at all of the college's locations.

Online and on-site registration will continue through Jan. 9 at the Poplar Bluff campus and the centers in Sikeston, Dexter, Kennett, Malden, Willow Springs, Piedmont, and Cape Girardeau. The semester starts on Jan. 12.

Those interested in enrolling can browse available courses by clicking "Search for Classes" at trcc.edu. Current students, with advisor approval, can register online through the myTRCC system. Prospective students must fill out a free application and attend a "ROCS" orientation session to be eligible to register for classes. For assistance or to schedule an orientation session, contact the Welcome Center at (573) 840-9605.

"We try to schedule courses and classes so that it's just as easy for students to start in the spring semester as in the fall," said Dr. Wesley Payne, President of Three Rivers College. "We also focus on making sure that there are flexible scheduling options for our students through a wide range of day, evening, and online classes."

New students needing financial aid should begin the application process as soon as possible, as the priority deadline for processing spring financial aid has already passed. For more information on how to apply for financial assistance at Three Rivers, visit trcc.edu/financialaid.

Three Rivers College is committed to contributing to the quality of life in Southeast Missouri with quality, affordable higher education opportunities and community services that support and encourage the economic, civic, and cultural vitality of the region.
