Honors Keep Rolling in for the Dexter Football Team

Dexter, Missouri – Two student athletes at Dexter High School earned top honors in football, but not for their athleticism. Jason Jarrell and Tyler Stevenson made Academic All-State.

"I am extremely proud of these young men. It is becoming more and more difficult to balance athletics and academics with the demands that both present," commented head football coach Justin Peden. "Tyler and Jason are able to not only do this, but thrive in both the academic and athletic arenas."

Students must maintain a 3.5 GPA, 25 on the ACT, and be in the Top 10% at their high school. Both of these gentlemen not only met those requirements, but also excelled in the football program.

"We actually had five or six guys barely miss the criteria," continued Peden. "That is an indicator that young men in this town realize what is truly important. It is an honor to be associated with these young men."

Dexter High School prides itself not only on athletic achievements, but academic achievements as well.

Congratulations to Jason Jarrell and Tyler Stevenson. The Dexter community is extremely proud of you and your accomplishments.
