Shelter Agent Matt Thurmon to Offer Scholarship

Dexter, Missouri – This spring, the Shelter Insurance Foundation will award a \$2,000 scholarship to a graduate of Dexter High School. Shelter Agent Matt Thurmon sponsors and partially funds this scholarship.

A committee of local high school officials and community leaders will select the local recipient. The committee will consider each applicant's scholastic achievements, educational goals, citizenship, moral character, and participation and leadership in school and community activities. The scholarship is given without regard to race, disability, religion, national origin, or gender of applicants. The name of the recipient will be announced at the close of the school year.

The student may apply the scholarship funds towards tuition, fees, or campus housing for any course of study beginning the fall after the recipient's high school graduation and leading to an academic degree at any accredited college or university. The Foundation makes payment directly to the school the recipient selects.

Applications and additional information about the Shelter Foundation Scholarship will be available in early March and should be completed and returned to the school official serving on the selection committee by March 31st. For more information, interested seniors should contact their high school counselor or Shelter Insurance Agent Matt Thurmon.

The Shelter Insurance Foundation is a not-for-profit corporation for charitable and educational purposes. It is sponsored by the Shelter Insurance Companies – offering auto, home, life, farm and business insurance services to customers in 14 states via a network of local insurance agents and headquartered in Columbia, Missouri.

Good Attendance Earns Student a TV

Good Attendance Earns Student a TV

Poplar Bluff, Missouri - Seventh grader Dillon Rice won a 32-inch flat screen television for having perfect attendance for the entire first semester at Poplar Bluff Junior High School.

Dillon was among 65 students who were entered into a drawing on Thursday, Jan. 15, for maintaining flawless attendance. The students were also treated to a pizza party, as part of a new incentive program the Junior High has initiated in order to help boost attendance.

The prize was made possible through a \$600 donation from Ronald McDonald House Charities, which was presented by school board president Steve Sells earlier this month. A total of three TVs were purchased with the funds so the drawing can continue over the next two semesters. Smaller prizes also donated by area businesses are awarded to 10 random students weekly through the program.

Photo provided by Tim Krakowiak. Shown in the photo are Poplar Bluff Junior High Principal Bob Case presenting student Dillon Rice with a LED television.
