Southeast Home Health Spotlight: Leon Ward

MARCH 28TH 2015 BY STAFF WRITER

Southeast Home Health Spotlight: Leon Ward

Please tell us something interesting about yourself:

When I was a little boy, I was short and some older boys lived down the alley from me. When I'd come to play with them, I would hop and skip down the alley. The older boys said I looked like a grasshopper, and the nickname stuck while I was young. When I got older, the nickname became "Grassy".

What made you choose our agency to provide your home health care?

I have heard a lot of good things about Southeast and Southeast Home Health from people in our community.

What do you enjoy most about home health therapy?

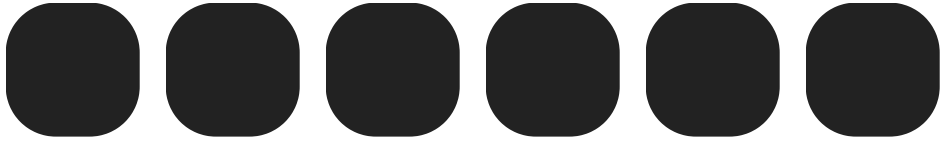

I enjoy the companionship of having someone concerned with my problems, and having them want to help improve my current situation.

Please share some of the goals you have for the future and how therapy might help you reach those goals:

My goal is to get rid of the walker. I want to increase my confidence with walking around without the fear of falling. I also want to regain my independence and be able to once again drive myself around the community.

The Home Health Spotlight is a courtesy of the caring professionals of Southeast Health! You have a choice in who will provide your home health services. Remember to request Southeast Home Health of Dexter or contact us at (573) 624-3511 for additional information.
