Construction to Begin on PWSD Project

Construction to Begin on PWSD Project

Stoddard County, Missouri – The Stoddard County Public Water Supply District #4 officials gathered along with federal, state, and county officials at the USDA office near Dexter, Missouri to break ground on an improvement and expansion of the water system.

District 4 received a Water and Waste Disposal Loan of \$1,670,000 and a Water and Waste Disposal Grant of \$1,186,200 from USDA Rural Development.

Pictures at the ceremony are from the left: Clarence Smith, Board Member; Rick Huffman, District Superintendent; Randy Long, Board Member, Phyllis Minner, Rural Development Area Director; Tim Fowler, Board President; Whitney Watts, Rural Development Area Specialist; Henry Rieffer, Board Member; John Chittenden, Engineer, Waters Engineering Co.; Ken Rinehart, Board Member; Pam Anglin, Rural Development Housing Program Director; Danny Talkington, Stoddard County Commissioner; Christy Mercer, representing U.S. Senator Claire McCaskill; Billy Pat Wright representing State Senator Doug Libla.
